Report Around 40 Survivors Are Believed Rescued

Mail Service Change Will Be Made Thursday

New Schedule Will Affect All Patrons Of Local Office

In accordance with orders of the Postmaster General issued April 18, the new schedule of city delivery service will be inaugurated on Thursday, June 8. Beginning on that day, residential districts will receive one delivery of mail instead of two deliveries as heretofore. Business districts will receive two deliveries instead of the three deliveries they have been accustomed to.

The change will mean that some patrons who have been receiving mail in the morning will not receive mail until the afternoon, but all patrons will be assured of at least one delivery each day, Monday through Saturday. The change over may result in some confusion in the first days but if the people will bear with the post office employees, the service will adjust itself to normal within a very short time, the postmaster states.

Will Affect Pickups
The new schedule will also affect the pickup schedule of the street boxes in the residential districts. Schedules now posted on these boxes become obsolete, and a pickup will be made only once a day, when the carrier for that district arrives at the box. In the business district, the collection service will be maintained on the regular schedule.

Directory service will be discontinued as of June 8. This means that a letter with insufficient address (without street number, etc.) will be returned to the sender without recourse to city directory or telephone book as has been the custom heretofore. It is suggested in mailing your letters you be sure to make the address complete. Postal cards cannot be returned to the sender unless postage is guaranteed. In order to have undeliverable cards returned it is necessary to stamp or print in the upper (Continued on Page Two)

Population Drop At Altoona, Pa.

ALTOONA, Pa., June 6.—(INS)—Altoona—home of the Pennsylvania railroad shops—has sustained a drop in population.

Mayor J. Lester Laughlin said the preliminary census figure of 76,884 is a decrease from that of ten years before when 80,214 persons lived in Altoona.

PA NEWS OBSERVES

Westminster's graduating class of 1950 had two men named John Howard Wilson in the same course. One was from Pittsburgh and the other from Vandergrift.

Rather an unusual sight was presented in New Wilmington Monday evening. Eight or ten freight cars, loaded with the big pipes being used in construction of the new gas line through this district, were parked on the railroad near the old station in town.

Owen Fox and members of the park force are installing a drinking fountain in Jackson park, East Washington street, where there are benches for men and women who reside on the East Side. It is the first time in Jackson park history that a drinking fountain has been there.

Indications point to the fact that work is to be gotten under way at once on the construction of abutments for the new bridge across the Neshannock creek at Grove street. A steam shovel was moved to the location at noon today.

ONLY ONE IN CENTURY

Glenn Reed, of Mahoningtown, R. D. 7, on Monday became the first Westminster college student in 98 years to be graduated with a perfect scholastic record. He made all "A's" during his four years at the college and, in addition, took a prominent part in extra-curricular activities. He is shown receiving the congratulations of Dr. Will W. Orr, college president.

Westminster's Largest Class Is Graduated

Judge Norris C. Bakke, associate general counsel of the Federal Deposit Insurance Corp., told a graduating class of 320 at Westminster college Monday afternoon that the country's 500,000 graduates this year are going to find jobs more difficult to get because of increasing unemployment.

"Do not be too choosy about your first job," he warned, "and do not be too concerned as to what it will pay."

Largest Class
Speaking before the largest class ever to graduate from the college, Judge Bakke pointed out that unemployment is being given to material possessions as a measuring rod of success.

"I think an analysis of the people named in 'Who's Who' would show that a large majority of these need not worry about insurance of bank deposits over \$5,000 because they do not have that much, and certainly some of the most successful people that I know are those that get the job done, whatever the job may be, and their income is largely incidental," he added.

Truman's Arms Aid Fund May Be Cut Down

WASHINGTON, June 6.—(INS)—The administration's top foreign policy spokesman in congress said today he is not sold on the need for the \$1,222,500,000 asked by President Truman for arms-aid abroad.

Senate foreign relations chairman Connally (D) Texas, said he feels that the cost of the program for arming western Europe should begin to drop.

Although the bill is \$91,510,000 less than the amount congress voted last year when military aid was launched, the most of weapons for Atlantic pact countries remains the same — one billion dollars. Many senators had expected a reduction in arms for Europe this year.

No Commitment
Asked if he would vote to cut the new program, Connally replied: "I wouldn't support any radical move. But I have made no commitments. I want to hear more of the arguments before making any commitments."

Other developments:
1. Senators handling the bill called for amendments to curtail "blank check" authority it would give the president.
2. Sen. Cain (R) Wash., said he will explore in closed sessions the possibility of including Spain and Turkey in the North Atlantic security pact.
3. Gen. Omar N. Bradley, chairman of the joint chiefs of staff, testifies on the bill before the house foreign affairs committee this morning while senators hear W. Averell Harriman, ambassador to Marshall Plan countries.
The house and senate groups trade witnesses this afternoon.

Sen. Hickenlooper Is Renominated

DES MOINES, Ia., June 6.—(INS)—U. S. Senator Bourke Hickenlooper won a smashing victory for renomination in Iowa's Republican primary and former undersecretary of agriculture Al Loveland, a Brannan farm plan supporter, appeared today to be the Democratic nominee.

Loveland, the administration candidate whose victory is regarded as an approval in the "grass roots" test of the farm plan, was race with 38 per cent of yesterday's leading in the six-man Democratic vote tabulated.

Consistory To Open Reunion This Afternoon

Conferring of degrees will start this afternoon for a large class of candidates at the annual spring reunion of the coordinate bodies of the Valley of New Castle Consistory, AASR. The reunion will last through Friday, and will be followed by the customary reunion dinner and party on Friday evening.

Commander in Chief C. McRaisley announced this morning that all arrangements for the big event are complete, and a large attendance of the members is expected during the week, along with many visitors from surrounding consistories.

Degree Work
The degree work this afternoon will be featured by the conferring of the work by members of the Oil City Lodge of Perfection as a courtesy to the New Castle Lodge of Perfection.

Wednesday, the degree work will be conferred by members from Beaver Valley and Butler. There will be ample time for good old-fashioned fellowship during the reunion, the commander-in-chief announces.

Reservations can still be made for Friday evening's dinner and entertainment, it is announced.

Pentecostal Leaders Meet

Two-State Conference Is In Session Here
First Pentecostal church, Assemblies of God, Pearson at Epworth streets, is host to more than 250 delegates to the 34th annual Pennsylvania-Delaware conference of the church. Sessions are slated June 6 through 8, with the opening Monday evening.

The service Monday evening which was open to the public attracted several hundred, filling the church to capacity. The initial conference speaker was Rev. John Wright Follette, New Platz, N. Y., pastor, author, lecturer and traveler. A service of song and praise preceded the address of the evening.

Business Sessions
Business sessions opened today's conference meeting at 10 a. m. with a second business session being conducted this afternoon at 3 o'clock. Rev. A. Newton Chase, former pastor of the host church, (Continued on Page Five)

Beaver Pony Champ
In the pony stakes, Marianne Anderson of Beaver rode Tommy Tucker into the championship.

Gloria Genius of the Bellgove farm near Wexford, Pa., was the three-gaited stake winner over a very select class of horses.

Another Wexford horse, Gay Kalamara, owned by Frank G. Singer, was champion in the fine harness class. The high-stepping, rhythmic gray was a favorite of the audience in the select field.

Stonewall Supreme added another ribbon to his list of impressive wins with a first place in the five-gaited stake class. This fine horse was meeting first-class competition that would be a credit to any show in any city. He is owned by the Four Oaks farm of Butler.

AS WESTMINSTER'S LARGEST CLASS WAS GRADUATED

Largest senior class in the history of Westminster college, part of which is shown in the foreground, received degrees from the institution in open-air ceremonies Tuesday. Part of the over-flow audience that came to witness the event is shown upper left. Inset is Judge Norris C. Bakke, associate general counsel of the Federal Deposit Insurance Corp., who delivered the address at the commencement ceremonies.

TAKES OFF TO AID RESCUE IN PLANE DISASTER

MIAMI, FLA.—U. S. Naval Air Station Navy PBM taking off enroute to pick up 46 persons in plane disaster area 320 miles north-east of Miami. This type of plane from St. Petersburg, Fla., Coast Guard base sighted 11 life rafts loaded with survivors.

Wool Pool Sold At Higher Price

County Growers Will Get More This Year

It was announced today by President R. P. Peebles, of the Lawrence County Cooperative Wool Growers Association, that the 1950 wool pool has been sold to the James Doak, Jr., Co., of Philadelphia, their bid having been the highest received. Bids were opened by the officers last evening.

The price of 65.07 cents per pound for medium wool, and 67 cents for fine Delaine, is higher than last year, and one of the highest prices in history. This is due to a decrease in the number of sheep being raised in this country, and also to a world shortage of wool, it is stated.

Pooling of the wool will take place during the week of June 19. Wool will be received in Butler on June 19, for Butler county growers who are members of the association, and on June 20 and 21 for Lawrence county growers.

Gunman Killed In Battle With Police In New York City

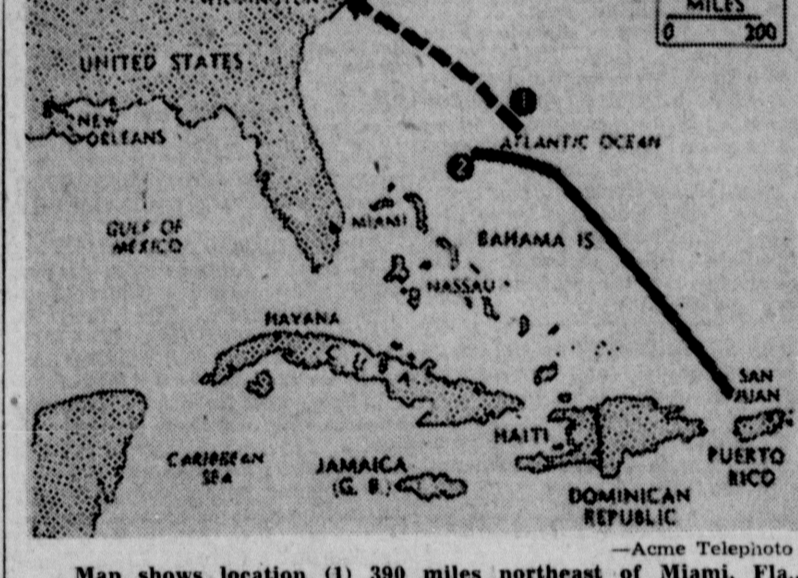

NEW YORK, June 6.—(INS)—Three holdupmen and police fought a running gunbattle through two night clubs and the twisted streets of New York's Greenwich Village early today as hundreds of patrons and passersby scrambled for cover.

One of the gunmen was killed at the end of the battle in the Champagne Room of one night club. His two accomplices were wounded, as were a patron and a bystander. More than 20 shots were fired in the prolonged gunfight.

BOY KILLED BY BUS

ERIE, Pa., June 6.—(INS)—Seven-year-old John Alexa, Jr., died under the wheels of the Erie bus which had carried him to school for a year.

Driver Charles Brown said he didn't see the lad dash from the curb into the path of his bus yesterday.

Map shows location (1) 390 miles northeast of Miami, Fla., where a destroyer escort was reported to have picked up about 45 survivors from chartered airliner which crashed-landed in the Atlantic ocean with 65 persons aboard last night. Survivors were rescued some 60 miles northeast of a point (2) where distress signals were seen last night. The plane, bound from San Juan, P. R., to Wilmington, N. C., apparently changed course for Nassau, Bahamas Island, when engine trouble developed, and was "ditched" in the sea.

Gen. MacArthur In Drastic Move Against Reds In Japan

By JOHN RICH
(U. S. Staff Correspondent)

TOKYO, June 6.—Gen. Douglas MacArthur ordered the entire 24-man top directorate of Japan's Communist party purged from all public life today and the Japanese government acted promptly to meet any Red counter-moves with force.

The allied supreme commander formally directed Premier Shigeru Yoshida to throw the two-dozen members of the Communist party's ruling central committee out of every public office or activity. MacArthur declared his drastic action justified by the rising Communist instigation to "social unrest" which would "set the stage for the eventual overthrow of constitutional government in Japan by force" and lead to "destruction of the Japanese race."

Strike May Halt Milk Deliveries In Pittsburgh Area

PITTSBURGH, June 6.—(INS)—A dispute over wage demands may lead to a strike today that will stop wholesale and retail delivery of milk, ice cream and other dairy products in Pittsburgh and a surrounding six-county area.

An AFL union committee is to present its counter offer today to representatives of the Greater Pittsburgh Milk Dealers Association in Pittsburgh. Refusal by the dealers will cause the first industry-wide strike by some 3,000 drivers and others employees.

Crash-Landing Made In Atlantic During Night

Plane Was En Route From Puerto Rico To Wilmington, N. C.

(BULLETIN)

MIAMI, Fla., June 6.—(INS)—A Navy destroyer today rescued 37 survivors of a C-46 non-scheduled airliner which crash-landed into the Atlantic ocean last night with 65 persons aboard approximately 300 miles off the Florida coast.

There was no information as to the fate of the 28 other persons but the rescue ship, the Saufley, tersely radioed Miami headquarters of Coast Guard: "Captain doubts whether any remaining survivors in life belts."

By JAMES RUSSELL
(By International News Service)

MIAMI, June 6.—The navy destroyer Saufley radioed Miami Coast Guard headquarters today that it has picked up 37 survivors of a C-46 non-scheduled airliner which crash-landed in the Atlantic ocean with 65 persons last night.

The message said: "All are in good condition." Government officials in San Juan, Puerto Rico, from where the plane took off, reported they had been advised that 42 survivors have been rescued.

Enroute From San Juan
The twin-engine plane, operated by the Westair Transport Company, was enroute from San Juan, Puerto Rico, to Wilmington, N. C., and carried migratory workers.

It was scheduled to stop at Millville, N. J., before going on to New York. Those aboard included three American crew members and 62 migratory workers.

Coast Guard planes joined in the search. Earlier, one reported seeing 11 rafts carrying an estimated 33 persons. Another plane radioed it had observed "three rafts full of people."

The radio message to Miami said those picked up by the destroyer were found in life rafts.

The rescued included Joseph Halsey of Seattle, Wash., pilot of the ill-fated airliner.

Doubts More Survivors

(BULLETIN)
NEW YORK, June 6.—(INS)—A report to the coast guard today that the pilot of the non-scheduled airliner which crashed in the south Atlantic as saying he doubts that any more of the missing passengers and crew members will be rescued, even though they had life preservers.

Of the 37 persons picked up by the USS Saufley, 34 are passengers and three are crew members. The pilot and first officer of the plane are among those rescued.

The report was relayed by Lt. Commander James A. Cornish, piloting a specially converted B-17 search and rescue plane from the Brooklyn coast guard air station, circling over the scene of the rescue.

Whitehill Taken To Ohio Hospital

In an effort to save the life of 123 South Market street, New Wilmington, who was critically injured in an automobile crash on Route 18, four miles north of the city, early Sunday, Mr. Whitehill has been transferred to a Youngstown hospital for brain surgery, it was stated this morning.

Mr. Whitehill is in a very critical condition, having suffered a severe fracture of the skull, and the operation was deemed advisable in order to save his life.

His car crashed into a guard rail along the highway early Sunday morning, as he was enroute to his home after having visited his wife and baby son in the Jameson Memorial hospital, it was stated.

Apparently Mr. Whitehill lost control of his car.

DEATH RECORD

Mrs. Sam Rose, 47, 430 Boyles avenue.

So it's forty years since you started here, great guns how the time does fly, you start a job and before you're aware, a couple of years have gone by. But there's more than a couple where you're concerned, there's forty the record will show, and the forty years have been pleasant ones for you and the gang, I know. And as one of the gang may I add my mite to the greetings and pleasantries, they couldn't go to a grander guy, the weather is eighty three.

Davis Pleased With Fire Truck

Reel Remains To Be Changed

Following a test run, up hills, and over high driveways, Safety Director Richard L. Davis said today he is pleased with the new American La France fire truck, recently bought by the city.

However, the company, in making the truck did not follow specifications, it is reported, and instead of putting the hose reel on top of the truck, built it on the rear of the truck.

Before the truck is accepted officially the company must change the hose reel from the rear to the top of the truck, Mr. Davis stated.

No Left Turns From Parking Area Allowed

Police have issued orders that cars parked at North Mercer and East Washington street are prohibited making a left turn into East Washington street. In leaving the parking area, all cars must turn right to prevent a traffic jam at Mercer and East Washington street.

The final event of the evening was the spectacular jumping stakes. Two New Castle horses from the McKissick stables finished one, two, Gaylord McKissick, son of the owner, rode both jumpers. New Castle Forever was first and Mr. Altitude second.

Other outstanding events on the full program included several for juvenile riders, a western parade horse class, the musical chair contest, hackney ponies and roadster horses.

Mrs. Thomas S. Reese Sister Dies In Wales

Mrs. Thomas S. Reese, of Pittsburgh, formerly of Pearson street, this city, has received word of the death of her sister, Mrs. John Hopkins of Llanelli, South Wales, on May 13, in the home of her daughter, Mrs. J. Malcolm Frost, of 8 Stradey Park avenue, that city.

Mrs. Hopkins had been ailing with heart trouble, and was 84 years of age, on February 4.

the fate of the other 28 persons, but the message quoted Halsey as saying that he believed "all persons aboard the plane were believed to have had life preservers. Those rescued were picked up approximately 300 miles northeast of Miami, the message said.

Officials said the SS Santa Paula, luxury liner of the Grace Line, is standing by in the area and searching for the missing.

A sister ship of the ill-fated airliner which crash-landed some 330 miles off Miami late last night, radioed that it had sighted 45 survivors in five life-rafts.

Earlier, Coast Guardsmen said 11 rafts were seen but cautioned that eight of them were dropped from search planes.

The twin-engined C-46, operated by the Westair Transport Co., was enroute from San Juan, Puerto Rico, to Wilmington, N. C., with an additional stop scheduled at Millville, N. J.

A spokesman for the airline said the plane carried migratory workers from Puerto Rico whose even destination was New York City.

The pilot of the airliner was identified as Joseph Halsey, about 30, of Seattle, Wash., and the co-pilot as William Holleran.

Radios Plane Going Down
Halsey radioed at 10:06 o'clock (EST) last night that the plane was "down to 200 feet and going in the drink."

Previously, he said one engine was misfiring and he was heading for Nassau, 240 miles away.

Almost exactly one year ago, June 7, 1949, 53 persons were killed when a converted army C-47 crashed into the ocean near Puerto Rico.

Civil Aeronautics investigators later found that the plane was greatly over-crowded.

The two-engine plane involved in last night's crash-landing was a Curtiss Commando, which normally carries only 35 persons.

Westair Transport's home office is in Seattle.

The all-night search for the missing plane climaxed with sudden drama early today when a Coast Guard plane sent a two-word message: "Sighted survivors."

Then came word that three life-rafts "full of people" were sighted. The Santa Paula steamed to the scene and rescue planes dipped over the life-rafts.

On an average, women are 6 per cent shorter and 20 per cent lighter in weight than men.

Only one per cent of all prisoners in America die or are executed in prison.

Several Homes Planned Here

City Bureau of Building Clerk Edward Longacre has granted construction permits for new homes as follows:

Seltzer and Young, frame dwellings at 711 Etna street, 818 Pearl street, 820 Addis street and 1502 Rose avenue. Each will cost \$7,500.

Other permits issued are: C. L. Loveridge, 928 Beckford street, block addition, \$150; Martin D. Quinby, 17 West Edison avenue, cement wall, \$100; Curran and Rainey Oil company, 129 West Washington street, fence, \$100; W. E. Case, 603 Court street, porch, \$100; Charles M. Allen, 23 Robinson street, addition to frame dwelling, \$400.

ates, Judge Bakke told them not to become "discouraged if you have nothing to look forward to but marriage and rearing a family."

"I think most so called successful career women would gladly trade their success for a happy marriage. My observation is that those women who insist on having both rarely get either," he said.

Achieving Success
The speaker said that to achieve true success "you should make a commitment to dedicate your life and purpose to the ideals of Christianity."

Honorary degrees were conferred upon two persons at the commencement ceremony. Dr. Will W. Orr, president of the college, conferred the degree of Doctor of Humanities upon Walter C. Shaw, chairman of the board of G. C. Murphy Co. The Doctor of Laws degree was conferred upon Dr. George A. Long, president of Pittsburgh-Xenia Theological seminary, by Dr. John Orr, acting dean of the college.

Deaths Of The Day

Mrs. Howard M. Kirk
Mrs. Howard M. Kirk, nee Elizabeth Raney, aged 75 years, 403 East Moody avenue, died today at 3 a. m. in the Jameson Memorial hospital.

Born February 13, 1875, in New Castle, she was a daughter of Leander and Hannah Mahon Raney. Mrs. Kirk, a graduate of Pennsylvania College for Women, had been a member of First Presbyterian church for her lifetime.

Survivors are: her husband, Howard M. Kirk, whom she married June 29, 1899; five children, Mrs. Helen K. McAfee, Newark, N. J.; Dr. Elizabeth K. Rose, Philadelphia; Leander R. Kirk, Plainfield, N. J.; Rev. William H. Kirk, New York, N. Y.; and Howard M. Kirk, Jr., New Castle, 13 grandchildren and one great-grandchild.

Dr. Robert F. Galbreath will officiate at funeral services Thursday at 2:30 p. m. from the late residence, 403 East Moody avenue, where friends may call Wednesday from 2 to 4 and 7 to 9 p. m.

Mrs. Sam Rose
Mrs. Fanny Rose, aged 47 years, wife of Sam Rose of 430 Boyles avenue, died this morning at 2 o'clock, in the Mt. Sinai Hospital, Milwaukee, Wis., following a rare skin disease, pemphigus.

Mrs. Rose became ill last October when she was assisting her husband in a meat market. Mrs. Rose was in the act of hanging a rib of beef in the refrigerator, and thought it was on the hook securely and turned away.

As she turned the beef fell, striking her in the shoulder and knocking her to the floor. Later she noticed a bump on her shoulder, which developed into watery blisters and scabs—the form which the disease takes. In succeeding months she submitted to treatments in Cleveland, Chicago and Wisconsin. A transfusion from a victim cured from the same rare disease, offered her a ray of hope and a short time of improvement, but later she became ill again and died this morning.

Mrs. Rose was born in New Castle, July 5, 1902, daughter of Hyman and Jennie Rosen Kulkin. She was an active member in the Jewish circle here and was a member of the New Castle Chapter of Hadassah, Council of Jewish Women, Temple Israel, and Jewish Ladies Relief.

Surviving in addition to her husband, Sam, are a daughter, Irma Jane, and brothers and sisters: Mrs. Nat Rosenthal, New York; Mrs. Joseph Knabe, Youngstown, O.; Jake Kulkin and Louis Kulkin, this city; and James Kulkin, of Los Angeles, Calif.

The body will arrive in New Castle, and funeral arrangements will be announced.

Bailey Funeral
Funeral services for Thomas Lee Bailey, 307 Fairfield avenue, were conducted Monday at 2 p. m. from the R. L. Boyd funeral home with Rev. James A. Gaiser of the First Methodist church officiating.

Eugene Cunningham, Ed Fisher, Robert Vaughn, Martin Holtzapfel, James Bailey, Jr., and Henry Lovelless were pallbearers.

Burial took place in Oak Park cemetery.

Mrs. Krohn Funeral
Funeral services for Mrs. Charles Krohn, Wampum, were conducted Monday at 2 p. m. from the Marshall funeral home with Rev. Paul Aley officiating.

Martin Displaine, Earl Bohman, Theodore No. 2, George Baker, Glenn and Raymond Boyer were pallbearers.

Burial took place in Clinton cemetery.

KILLED IN CRASH
HARRISBURG, June 6.—(INS)—A Lancaster man was killed and six persons slightly hurt today when two trucks and two passenger cars collided six miles north of Harrisburg on U. S. route 22.

State police identified the dead man as John Troxel, Jr., 25. He died of severe head injuries less than an hour after he was admitted to Harrisburg hospital. Troxel was driving a truck loaded with baby chicks, many of them crushed to death in the accident, police said.

State police said the two trucks sideswiped and rammed the two passenger cars.

N. S. POWELL DIES
SHARON, Pa., June 6.—(INS)—Normal S. Powell, 76, one of the originators of the Pymatung Dam, died today in Sharon after a long illness.

Powell formerly was a civil engineer for Carnegie-Illinois Steel and later became resident engineer at the Pymatung Dam.

House Committee Completes Action On Excise Taxes

WASHINGTON, June 6.—(INS)—The House Ways and Means Committee practically completed action today on excise taxes, reducing them approximately one billion, 114 million dollars a year.

In doing so, the committee exceeded by some 459 million dollars President Truman's recommendations for a 655 million dollar cut in the excise levies on furs, jewelry, luggage and toilet preparations.

All that remains on the excise tax list for final action was the cut voted tentatively in the tax on business and store machines. Only a small amount of money is involved.

Parking Area Being Paved

A. F. Butch company, Youngstown contractors, today commenced paving the parking area and driveway at city hall. Lime-stone, which covered both areas, became solid and is being excavated, following which both places will be asphalted.

Three floodlights will illuminate the parking area in the rear of the city hall. They were placed there recently.

the face of a Communist threat of a nationwide general strike tomorrow or Thursday.

The cabinet's chief secretary, Kazuo Okazaki, announced that the government is "ready to meet the consequences arising from the purge and is prepared to suppress by force any strikes or other unrest" the Reds might attempt in answer to MacArthur's order.

May Outlaw Party
Okazaki said, moreover, that the cabinet is studying the question of outlawing the whole Japanese Communist party, in addition to MacArthur's purge which will have the effect of decapitating the party's present leadership.

Communists leaders simultaneously met in secret emergency session at their Tokyo headquarters to weigh their party's crisis in the face of the American occupation chief's stern decree.

An American correspondent, Gordon Walker of the Christian Science Monitor, was boldly evicted from the Red party headquarters when he went there in an effort to interview Japan's No. 1 Communist, Sanzo Nozaka, one of the purged men.

Home Building Costs \$390,000

Forty-Nine Homes Since January 1

Forty nine new homes have been, or are contracted for within the city, since January, according to a check of statistics at the Bureau of Building, City Hall. The estimated cost of the new dwellings is \$390,000, or slightly less than \$8,000 per home. During May permits were issued for 20 new homes, at a cost of \$150,000.

The total estimated cost of May construction, new and remodeling is given as \$277,050. Included in this amount is \$100,000, for a church, and five garages, at \$5,575 plus remodeling, \$21,457.

Traffic Deaths 303 In State In Five Months

HARRISBURG, June 6.—(INS)—Traffic accidents took 303 lives on Pennsylvania highways during the first five months of this year, State police reported today.

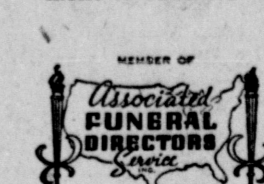

The total of fatalities was four less than reported for the same period last year, according to police statistics, and last month's 57 deaths were 10 less than May, 1949.

WATCH RECOVERED
City detectives reported today that a \$50 wrist watch stolen from Miss Frieda Shingledecker at the Rick summer home, New Castle-Harrisburg highway, has been returned by the young woman who allegedly took it. Detectives sometime ago recovered a \$50 diamond ring, the young woman alleged pawned.

MISUNDERSTANDING
There seems to be quite a little misunderstanding in regard to us building an addition to a building already on our lot on the North Hill. You can hear a different idea every day, such as, a fish market or a gasoline station. Neither of these things would we want on our beautiful property, and we would be the last people to think of building same.

We do not even want the zone changed. All we want, is permission to build a little building back off the street to resemble the building already there, to use for our office and to store some of our equipment.

We have plenty of chances to sell our North Hill property, but it would not be fair to our neighbors to have something located there that we would not want ourselves, and something that the City would get no resources from.

HERSHEY AUXILIARY HEARS MRS. BEATTIE

Mrs. Mossman Beattie, of Cleveland, O., a former resident of New Castle, brought an inspirational address to members of the Hershey Auxiliary of the First Presbyterian church on Monday evening in the church.

Mrs. Beattie, a registered gemologist, used as her subject "Precious Stones of the Bible." She discussed the Biblical background of precious stones and told of the spiritual quality reflected in all these stones. An appreciative audience of about 100 guests, including members and guests, welcomed Mrs. Beattie.

Mrs. James Rhodes, chairman of the program committee, supervised the arrangements.

Spring flowers decorated the church parlors, where a reception was held in honor of the speaker. Refreshments were served buffet style from a beautifully appointed table. Mrs. James Rhodes and Miss Margaret Sankey presided. Mrs. Ira Ramsey and Mrs. Wilfred Thomas were co-chairmen of the hosts committee for the evening.

Musical entertainment was provided by the talented local pianist, George Holliday.

JOHN M. YOHOS WILL MARK ANNIVERSARY

Mr. and Mrs. John M. Yoho of Neshannock avenue, New Wilmington, will observe their golden wedding anniversary Wednesday, June 7.

The occasion was celebrated Sunday with a family dinner at the home of the couple's daughter, Mrs. David C. McCreary, of New Wilmington. A delicious chicken dinner was served at a table appropriately decorated in gold and white.

The former Jessie Mehard was married to John M. Yoho on June 7, 1900, in New Castle. Three daughters, Mrs. David McCreary of New Wilmington, Mrs. Gyla Grieks of New Castle and Mrs. William Lewis Shaffer of Erie were born to the union. There are seven grandchildren and three great-grandchildren.

Mr. Yoho is a retired stone-mason.

MISS MARY DORAN FETED AT SHOWER

Miss Mary Doran, bride-elect of June 17, was guest of honor at a lovely shower held in her home on Marshall avenue recently. Hostesses for the festive occasion were members of the Ladies of St. Mary's club.

Television was enjoyed during the early hours, with various games as the later diversions. Successful in capturing prizes were Miss Mary Rocks and Mrs. Mary Geddis.

A dainty lunch was served at a late hour. The bride-to-be was then showered with an array of lovely and useful towels.

Miss Doran, daughter of Mr. and Mrs. Edward F. Doran of 942 Marshall avenue, will become the bride of John Seigel, son of Mr. and Mrs. Frank Seigel of R. D. 1, Edenburg.

The ceremony will be performed in St. Mary's church at 10 a. m. Miss Dorothy Doran will attend her sister as maid of honor. Frank Seigel, Jr., will serve his brother as best man.

EPWORTH GROUP ENJOYS ASSEMBLY Group Three assembled in Epworth Methodist church Monday evening, when Mrs. Mabel Davis led devotions, using "We Walk by Faith" as her topic.

Mrs. J. M. Edwards, who was responsible for the program, discussed "Women in Her Local Church," stressing women's influence upon the lives of others in the past and at the present time. Mrs. Harry McCurdy's subject was "Dr. Clara Swain and Her New Hospital in India." "American Club Women in Christian Work" and "They Call Her 'Queen Sally'" were the titles of Mrs. Norman Clark's papers.

Mrs. Elmer Kerr, new president, presided when the year's budget was discussed. Mrs. J. F. Rentz stated that a great deal of prayer and thought must be used in considering plans to meet the budget.

Lunch was served by Mrs. Lloyd Thompson, Mrs. Edwards, Mrs. Kerr and Mrs. George Kennedy, the group's new officers.

A picnic is being planned for Monday evening, June 26, at Cascade Park. Meetings will be resumed next fall.

IDA MYERS WEDS CHARLES GIRTS

A quiet but impressive ceremony united in marriage Mrs. Ida M. Myers, 1302 Randolph street, and Charles Girts of Fisher, Pa. Saturday, June 3, at 2 p. m. at the wedding vows exchanged.

W. E. Badger home on the Butler road. Rev. Calvin Rose of the Second United Presbyterian church, New Castle, officiated at the single ring ceremony.

The bride was attractively attired in a fashionable navy blue street length dress, featured with a tiny pink rose design. A V-neckline and short sleeves were additional accents, with white accessories completing the ensemble. She wore a corsage of red roses.

As matron of honor, Mrs. W. E. Badger wore with charm a dusty rose street length dress with a high neckline and short sleeves. White accessories and a corsage of yellow roses and sweetpeas completed the costume.

W. E. Badger served the groom as best man. Mrs. Alex Black played appropriate nuptial selections during the ceremony.

A wedding reception for 150 guests was held following the ceremony at the Badger home, Butler road. The couple later departed for a trip to Washington, D. C. They plan to make their home in Clanton, Pa.

W. H. BURDETTS TO MARK 25th WEDDING Mr. and Mrs. W. Howard Burdette of 744 Lathrop street will hold "open house" at their home Friday evening, June 9, from the hours of 7 to 10 o'clock in honor of their silver wedding anniversary.

Friends and neighbors are cordially welcome to attend. Mr. and Mrs. Burdette are the parents of one daughter, Mrs. Thomas L. (Phyllis) Allen of Delaware avenue, this city.

All-Together Club All-Together club members gathered in the Sons of Italy club rooms Monday evening, hostesses to be Mrs. Mary Sciola, Mrs. Anna Donofrio and Mrs. Rose Lamorella.

After business cards were played and prizes were captured by Mrs. Clotilda Ross, Mrs. Mary Palumbo, Mrs. Mary Ross, Mrs. Mary Anzalone, Mrs. Mary DeGennaro and Mrs. Julia McIntrot.

Special guests attending were: Mrs. Clara Fair, Mrs. Nicki Lamorella, Mrs. Jennie Croach and Mrs. Martha Gillett. The latter assisted the hostesses in serving.

June 19 is the meeting with Mrs. Eleanor Micaletti, Mrs. Ray Paladino and Mrs. Teresa Naples in serving.

G. T. Club Meets Mrs. Anna Murray, North street, was hostess to members of the G. T. club.

Cards were played with prizes being won by Mrs. Bertha Kienast and Mrs. Josephine Cover. Mrs. W. L. Cover won the door prize. The hostess served lunch, assisted by her daughter Gertrude.

MISS MARY METTA WEDS GEORGE BOAZZA

A beautiful spring wedding was performed in the Christ Methodist church, corner Mill and Phillips street, on May 27, which united in marriage, Miss Mary Metta, daughter of Mrs. Isabelle Metta of 1111 Agnew street, and George Boazza, son of Leo Boazza, of 1117 1/2 Agnew street.

Vows were exchanged at 10 a. m., with Rev. F. P. Sulmonetti officiating. Mrs. F. P. Sulmonetti was the organist and Miss Ethna Sulmonetti sang, "Because," and "I Love You Truly." The church was decorated with ferns.

Given in marriage by her oldest brother, Alex Metta, the bride was charming in a white imported lace gown, fashioned in Princess Elizabeth style with six yards of white satin ending in a train. Her fingertip veil fell from a rhinestone crown and she carried a bouquet of white roses. She wore something old, new and borrowed and wore a sixpence in her shoe.

Miss Rosetta Caravaglia as maid of honor wore white nylon marquisette gowns, fashioned off-shoulder and hoop skirts. They wore matching headbands and carried yellow teasels.

Bridesmaids, Miss Tresa Gi-nocchi, Mrs. Dora Demos and Angelina Carma wore similar dresses and carried red roses. Flower girls were: Hollis Burke and Jean Mauri, nieces of the bride, wearing white dotted swiss, and carrying mixed bouquets. Ring bearer was Jerry Padula, nephew of the bride.

Daniel Petrucci was the best man. Ushers were: James Demos, Anthony Nocera, and Pat Padula of Warren, O.

A wedding breakfast was served at the bride's home, and pouring were: Mrs. Alex Metta, Mrs. Pete Norge, Mrs. Victor Metta, of Pittsburgh; Mrs. Charles Padula and Mrs. James Mauri, of Warren, O.; Mrs. Hollis Burke and Mrs. Mack Long.

At 1:30 p. m., a dinner was served in a Croton avenue dining room with 75 guests present. A reception in King Humbert hall was held from 7 to 11 p. m.

Upon return from a wedding trip to Washington, D. C., Mr. and Mrs. Boazza will reside at 1111 Agnew street. Mr. and Mrs. George Boazza were graduated from the local high school. She is affiliated with Steiner's department store as cashier. Mr. Boazza is affiliated with Re-Ly-On Product company, West Pittsburg.

Fund Drive In Shenango Twp. Is Extended

While the response for funds for the new Shenango Township fire truck has been gratifying, there still remains considerable money to be raised.

Don L. Pitzer, president of the volunteer company today expressed his gratitude for the contributions received. Only about one-third of the township has been canvassed and in order to give everyone an opportunity to participate, the campaign has been extended until the July meeting.

With the purchase of the new equipment the department is in shape to combat all but unusual fires. Now in service are three pump trucks and a water tank truck, with auxiliary pump. The equipment is housed partly at East New Castle and partly at Castlewood.

The association of the Shenango township volunteers with the Lawrence County Firemen's Association is one that will undoubtedly add to the efficiency of the fire fighters.

Reunion Plan For Volant

College And School Reunion June 15

Volant college and Volant high school will have their annual reunion and community day at the Methodist church, Volant, June 15. It is hoped to make this the best and most successful reunion ever held at Volant.

Close Accounts On Dinner-Dance

Dr. John A. Meehan, who headed the committee of parents who staged the extended dinner-dance for the Class of 1930 today expressed his appreciation of the co-operation of persons and groups.

Said Dr. Meehan, "We are about closed out with the accounts of the dinner-dance. With the contributions promised but which are not yet in, we will have sufficient money to pay everything."

"The dinner-dance was a success because so many persons and organizations helped to make it so. I cannot hope to thank each individual personally and I hope this public acknowledgment of their aid will be read by them."

"Fraternal and other organizations were especially helpful and we owe them a debt of gratitude."

Among the organizations that helped were the following: Benevolent and Protective Order of Elks No. 69, Loyal Order of the Moose No. 51, Fraternal Order of Eagles Aerie No. 448, Greater New Castle Association, Lawrence County Board of Commissioners, Veterans of Foreign Wars Post No. 315, Lawrence County Dental Society Auxiliary, Pennsylvania Motor Truck Association, Lawrence County Industrial Union Council, Jewish War Veterans No. 138, Unione Calabro American Club, Catholic War Veterans No. 741, Perry S. Veteran's Council Members Assemble Here Last Night

New Castle Veterans' Council introduced two new members to its council table at the monthly meeting last night in the American Legion Home on North Jefferson street. The two veterans' organizations to become members were the Jewish War Veterans and the Marine Corps League.

The New Castle Veterans' Council composed of eight New Castle

veterans' organizations, under commander George E. Hunt, Sr., proposed action for a larger and better Armistice Day program. Full arrangements for the day will be made at a later meeting of the group.

One committee was set up at last evening's meeting, a "by-laws" committee. Chairman appointed was Col. George F. Mitchell. Serving with Col. Mitchell are: Sherman Levine, Jewish War Vets; James E. Leasure, Jr., Marine Corps League; Al Walker, American Legion; and Bernard Kazenski, VFW 315.

During the meeting, the Shenango Pup Tent of the Military Order of the Cooties presented Jack Gerson with a framed certificate for his work with the sick and disabled. The council voted to back a project being sponsored by the Jewish War Vets at the present time.

Cracking Down On Drug Addicts In Pennsylvania

By AL SPIVAK
(L. N. S. Staff Correspondent)
HARRISBURG, June 6.—Enforcement agents are cracking down today on the most widespread outbreak of drug addiction in Pennsylvania since the war.

"Illicit use of narcotics has increased considerably this year," disclosed Don Gillung, chief of parrotic drug control division of the State Health Department. Figures have been tagged confidential.

"However, a new generation of drug addicts is springing up," he revealed. "They average only 20 or 21 years old today, and the age level has been going down awfully fast."

"From all indications there are going to be a lot of youngsters giving us trouble in the future," he said.

Clamp Down On Source
Gillung said his 12-man staff is allied with federal and local authorities in the fight to clamp down on drug distribution at the source.

"The important thing is to grab the peddlers," he emphasized, "and I'm satisfied with our progress along that line. I don't think there's a police force in the country doing a better job."

"Our state program at present includes a tightening-up of supervision over narcotics supplies of doctors, hospitals, and pharmacies," he said.

"Meanwhile, federal agents are keeping close watch over potential drug bootleggers, particularly on ships arriving at U. S. ports."

Tabs also are being kept over disposition of sleeping pills, barbiturates and all types of barbiturates from Pennsylvania supply centers, Gillung said.

Trace Records
"We are demanding perfect records from the medical profession, hospitals and nursing homes," he pointed out. "If the records aren't perfect we're tracing back and going after whoever's been stealing the drugs."

Gillung said he cannot explain why a younger element is turning to narcotics while "the old junkie is getting to be a thing of the past."

"We can't put our finger on any definite reasons," he said, "but we do feel that a lot of youngsters have developed a carefree dare-devilness. Couple with this the fact that they're making more money than ever before, and it might help explain it."

Increasing numbers of addicts have turned up in all parts of the state, Gillung said, almost invariably in metropolitan areas.

"The ultimate end with some is they get wanderlust and migrate to a smaller community," he said, "and there we pick them up."

When they are taken into custody, according to Gillung an effort is made to coax them to submit to voluntary treatment. If not, they face jail terms of from 90 days to two years—"cold turkey" as Gillung calls it, with the addict pried far apart from his drugs.

An educational program has its good points, Gillung said, and the commonwealth has been following that line to a great extent.

"Sometimes I wonder if it pays to go into a high school and explain the danger," Gillung said. "Some daredevil is going to wonder whether all we said was true and will decide to find out for himself. They're mostly neurotic and below normal mentally to begin with or they wouldn't get into the habit."

GAS PRESSURE Like Rock in Stomach

One New Castle man stated that for 10 years he felt like he had a rock in his stomach. This feeling was due to the lump of undigested food he always had inside of him. His food would turn to gas. Recently he started taking CERTA-VIN and says the feeling like a rock in his stomach disappeared the second day. Now his food agrees with him, no more gas and he feels like a new man.

CERTA-VIN is a new, scientific formula. It is taken before meals and works with your food; thus you get the fullest good out of your meals. It contains Ten Great Herbs, plus vitamin B and iron. It not only relieves gas, it also makes the nerves stronger with vitamin B and enriches the blood with iron. Miserable people soon feel better all over. So don't go on suffering! Get CERTA-VIN at any drug store in New Castle, or nearby towns.

Matters Before City Council

Measure Regulates City Employment

When council met Monday, Joseph F. Medure, parks director, introduced a bill which will regulate the employment of city employees and designate their compensation.

The bill was introduced following a suggestion from Solicitor Robert White.

Mr. White said that no person could legally be named to a city job unless an ordinance provided for such and his salary set. Should one be named without regard for such, the controller could withhold compensation, and council could be held guilty of a misdemeanor. He said he would prepare such a bill, and attach a "rider," which by resolution, would grant council authority to hire employees in an emergency, by resolution.

The subject came up when it was learned several employees were hired without authorization by council.

Mr. Medure explained that the persons employed had previously worked for the city, and were in a way, temporary employees. Council was satisfied with the explanation and agreed to make their compensation retroactive. However, the bill will be enacted into ordinance, it was indicated, and henceforth all appointments must come before city council.

Oiling Problem

The question of oiling dirt streets was before council Monday and it was dumped into the lap of E. Gene Schweinsberg, streets director.

The council has steadfastly refused to oil streets at city expense. However where traffic is heavy, and brought about through some special circumstance, council believes the city should do something about it.

Recently they authorized Mr. Schweinsberg to investigate the requested oiling of Vogan street, over which autos, with persons learning to drive, drive considerably, every Tuesday.

Monday petitions for oiling also came for Hazel street, Warren avenue, and also from Wilson avenue, the latter leading to Gaston park.

Upon motion of Safety Director Richard I. Davis the problem was referred to Mr. Schweinsberg.

Set A Precedent

Finance Director Albert A. Hoyland, said that to oil streets, would be setting a precedent.

Mr. Davis replied the city had oiled Cascade street, leading to Flaherty field, last year. It was explained to him that the Johnson Bronze company provided the oil.

Mr. Davis replied "we told the

people in Cascade street we would see to it that the street was oiled."

He suggested that Mr. Schweinsberg communicate with refineries, ascertain the cost of oil, and possibly have the streets department do the oiling on streets such as the foregoing mentioned.

It was also brought out by Mr. Schweinsberg that Blaine street residents want that thoroughfare oiled because of travel to the Cathedral.

Mayor Haven said the city proposed to pave Blaine street some time ago but residents refused to permit the removal of some trees, hence no paving. He said that the street was travelled before the Cathedral was where it is, and indicated he would oppose paying for oil for Blaine street.

Mr. Schweinsberg said it was nigh impossible to obtain oil from industries here, and what oil could be procured is 98 percent water, and won't "stand up" for more than two days, hence Mr. Davis urge to communicate with refineries.

Council adopted Monday an ordinance granted accumulated leave of absence, with pay, to all employees of the city. It grants 30 days sick leave a year, or up to 90, for three years.

Five County Men Enlist In Army And Air Force In May

Five men from Lawrence county enlisted in the U. S. Army and U. S. Air Force during the month of May.

Those enlisting in the regular army were: Meredith W. Johnston, R. D. 2, Miller avenue, Robert J. Clarke, 744 Butler avenue; Raymond L. Taylor, 258 West Grant street.

Leonard S. McClanahan, Woods street, and Robert M. Young, R. D. 1, enlisted in the U. S. Air Force for a period of four years and are undergoing basic training at Lackland Air Force base, San Antonio, Texas.

MATTED CLOVER

WASHINGTON—(INS)—Usually poultrymen shy away from using the same field as green feed for their birds for more than one year in succession. An answer to this problem of planting new green pastures for poultry each year seems to be ladino clover. The plant grows in such a way that it forms a thick mat. If the plot is well drained there's little danger of the flock picking up an infection left over from the previous year. The birds do not walk on the ground and droppings fall through the leaves and stems of the clover.

Liberty Bell Band Concert Planned Here

American Legion band will play a concert in front of the Legion Home Tuesday, June 13, at seven o'clock in connection with the Liberty Bell and Independence Savings Bond campaign.

The Legion is cooperating with the Greater New Castle Association and the Save for Independence Bond committee, co-sponsors of the bell here, to present the program.

The Liberty Bell to be on display here is one of fifty-two exact copies of the original that the Savings Bond Division of the Treasury Department has put on tour to remind the nation that thrift is a cornerstone of independence. It differs from the Philadelphia only in respect to age and it is whole.

The bells were constructed in Amey, France, under the supervision of Arthur L. Bigelow, professor of engineering at Princeton University and one of the world's foremost bell masters.

After the tour of Pennsylvania Secretary of the Treasury John Snyder will present the bell to the state for permanent exhibit.

Farmers To See Forage Trials

Forage variety trials will be inspected at a field day to be held at the Crawford County Home at

Saegertown, Pa., on Thursday, June 8, starting at 1:30 o'clock. It was announced today by L. C. Dayton, county agent.

These plantings were started a year ago by the Pennsylvania Experimental Station to determine the best species and varieties of

Will you walk into my parlor?

The spider doesn't have to drag his dinner into the web. Just one willing step inside, and the unthinking fly is hopelessly trapped, a strand at a time.

That's how a nation gets trapped into a socialistic form of government. Not all at once—but a strand at a time—until all liberty is lost.

Here's how it happens. The government of such a country—in the guise of the people's welfare—begins to assume more and more control over that nation's industries and services. Little by little, the people turn their responsibilities over to their government—and, eventually, their liberties as well.

And it can happen here. There are in America people who want the government to have more and more control over American life. "Let the government begin," they say, "by taking over the doctors, the railroads, the newspapers, the electric light and power companies."

It's strange, but many of these people—like most Americans—don't really want a socialistic U. S. A. But the result is the same. When government, a little at a time, controls enough things, you have a socialist nation, whether you want it or not. But by then it is too late.

Remember the fly and the spider web. That first step in is the most important!

Plead Guilty To
Shooting Jeweler

PITTSBURGH, June 6.—(INS)—Two convicts who pleaded guilty to the fatal shooting of a Hazelwood district jeweler today waited for a decision of two criminal court jurors in Pittsburgh as to the degree of their crime.

If Judges John P. Egan and James L. O'Toole find Frank Stegert, 37, and Harold J. Hess, 28, guilty of first degree murder, the sentence may be either death in the electric chair or life imprisonment.

A lesser sentence on a second degree charge won't matter much because both gunmen are serving long terms in Western Penitentiary for previous crimes.

They entered a general plea of guilty yesterday to causing the death of Joshua Lipman during an unsuccessful robbery of his store July 10.

Vacation Bible school will be held at Second Baptist church under the supervision of Mrs. Louise Watson and Miss Doris Ward, June 12 to 23. All children, regardless of denomination or church may attend. Registrations will be taken at the Second Baptist church Friday, June 9, from 4 to 7:30 p.m.

The Matron's club of the Second Baptist church met recently with Mrs. Roy Watkins, Sr. After a short business session, the remainder of the evening was spent socially. The hostess was assisted in serving a lunch by Mrs. T. Stuart. The next meeting will be this evening in the home of Mrs. Percy Jones, West Falls street.

Arthur Cummings, in 1866, is said to have been the first baseball pitcher to curve a ball.

Rita M. Prioletti
College Graduate

Miss Rita Mae Prioletti, daughter of Dr. and Mrs. J. P. Prioletti of 428 Glenmore boulevard, was recently graduated from Marjorie Webster Junior college, Washington, D. C., with an associate in arts degree in the secretarial course.

During the past two years Miss Prioletti maintained the dean's list standing and was graduated with highest honors. She was also a member of the Merit society, the yearbook staff and the student council.

PIPE LINE MAN KILLED

QUARRYVILLE, Pa., June 6.—(INS)—A 28-year-old natural gas pipe line worker was killed south of Quarryville late yesterday when the walls of a 10-foot ditch collapsed and buried him under tons of dirt and mud.

Lancaster county Deputy Coroner H. R. McCommon said John Faulkner, Jr., of Highland Park, Ill., died of suffocation.

McCommon said the excavation walls were weakened by the heavy rains over the past week. Fellow workmen freed Faulkner within 10 minutes, but attempts to revive him by pulmotor failed.

Faulkner is survived by his wife, Phyllis, of Lancaster.

Large Class At Geneva College

Commencement Today
Awards Announced

BEAVER FALLS, June 6.—The largest class in Geneva college history received bachelor degrees and four noted persons were granted honorary doctorates this morning as the school held its commencement exercises in Reeves Stadium.

Dr. Charles M. Lee, president of the college, presented diplomas to 159 seniors, 36 more than last spring's record total.

Frank K. McDanel, president of the American Bridge company, received the doctor of laws degree. Doctor of divinity degrees were conferred upon Rev. Elmer L. Parks Jr., pastor of the Smithfield Street Methodist church, Pittsburgh; Rev. Frank H. Lathom, pastor of the Reformed Presbyterian church, Walton, N. Y.; and Rev. Frank Lee Stewart, pastor of the Reformed Presbyterian church, Olathe, Kansas.

Local Students

Miss Ann Paton of New Castle was one of four graduates winning high honors. She was also given honorable mention for the Alumni prize. The engineering prize was awarded to John C. Butler of Wampum, a freshman.

Among those given degrees from Lawrence county were: bachelor of arts, Ann Paton, and Margaret Kier of New Castle; and Margaret Hartford of Hillsville.

Several students from Ellwood City were presented degrees. These included: bachelor of arts, Gordon Alken, Max Giovannini, Robert Marshall, and Ernest Pocik. Bachelor of science in business administration, Paul Newton, Roy Shoup, and George Toth. Arthur Murphy and Jack Conway were given degrees of bachelor of science in industrial engineering. Mrs. Odette M. Lambert received the degree of bachelor of science in education.

Postpone Boost In Commuters' Fares

HARRISBURG, June 6.—(INS)—An initial six months suspension of an estimated 22 per cent commuter fare increase proposed by three major railroads today was extended for three months by the Public Utility Commission.

The increase has been proposed by the Pennsylvania, Reading and Baltimore & Ohio railroads to offset higher operating costs.

The suspension extension from June 16 to September 16 was ordered by the commission to allow completion of an investigation. The original postponement was ordered December 16.

The Interstate Commerce Commission also has suspended the proposed tariffs affecting interstate traffic.

The first airplane bombing in the United States was by rival bootleg factions on November 12, 1926, in Williamson county, Ill.

Steelworkers To Hold Picnic

September 10 Date At Conneaut Lake

Plans are nearing completion for the third annual picnic sponsored by United Steelworkers of America, District No. 21, scheduled to be held Sunday, September 10, at Conneaut Lake Park.

Members of the picnic committee met Saturday afternoon, June 3, at Hotel Conneaut to further these plans. Indications are that this year's picnic will attract a larger crowd than the two previous years when a crowd of 50,000 persons attended the affair each year. District No. 21 includes Lawrence, Mercer, Crawford, Venango, Forest, Warren, McKean and Erie counties, with a membership of approximately 25,000 in the steel union.

One of the principal features of this gala affair will be an industrial exposition of products manufactured in plants located in District No. 21 and who are under contract with the United Steelworkers of America. Thirty companies have to date indicated their intention of participating in the exhibit.

Elaborate Program

An elaborate program of entertainment has been planned for the day, climaxed by free dancing in the ballroom of Hotel Conneaut. Music will be provided by a popular orchestra.

L. H. Jenkins, of Erie, is chairman of the picnic committee and John H. Graney, of Sharon, is the treasurer. Both are staff representatives for the U.S.A. Miss Virginia Iacobucci, who is employed in the district office in Sharon, is secretary of the committee.

Other members of the picnic committee in this area are: Albert Marino, National Radiator Company Local Union 1284; Russell Powell, Shenango Pottery Local Union 3125; Daniel W. Skelly and Samuel G. Neff, representatives U.S.A., C.I.O.; Ray Matthews, Aetna Standard Local 1605; Martin Kovach National Tube, Ellwood City, Local 1220; and Andrew Pasquariello, Richard Bailey, Frank Clinefelter, Okey Bosley, Lawrence Llewellyn, Fred Gallo, William Chaney, Nick Carangie and Milan Valentine.

A survey gives the number of petty gamblers in the United States as about 40 million.

Best Chance Of Averting War Is Suggested

WASHINGTON, June 6.—(INS)—Gen. Omar N. Bradley told congress today that "war might come but the chances are against it for the time being and our best chance of postponing it is by remaining strong".

Bradley made the statement at a house foreign affairs committee hearing where he testified that the \$1,222,500,000 arms-aid program put this country "one step closer to establishing a reasonable security for ourselves and our friends."

No Immediate War

The remark that he did not foresee an immediate war was made in response to a question by Rep. Smith (R) Wis. Smith then asked if the arms program is designed to "save Europe or save ourselves." Bradley replied:

"A combination of both. I think. We would have a hard time if we were isolated in the western hemisphere without friends. Our security to a large extent lies in Europe as well as here."

The general also said that "we may want flexibility" in the arms program because of the possibility that "we may have something new" in the way of weapons to provide western Europe.

Crowds Attend Playgrounds

If figures are any indication, then the local playgrounds will have a record attendance for the entire summer.

A few short of 1,500 children enjoyed the privileges of the New Castle playgrounds on the opening day Monday. Repairs and improvements have been made during the past weeks, and everything was in readiness for the big day yesterday.

Boys and girls literally invaded the playgrounds, happy to have the chance to do something they enjoy doing, but still be under the direction of capable supervisors. For the remainder of the summer they will conduct softball tournaments, play any of several games and have special events such as pet shows, hobby displays, mothers' day and handicraft work. There is always something planned each day to keep the children happy and occupied.

Pools at Washington and Ben Franklin junior high schools will be open for summer swimming. On Monday 70 children participated in the event at the Franklin pool, while nearly 50 enthusiasts of swimming were in the Washington pool. This year boys enter Washington school from the rear door, which opens very near the dressing rooms.

Fifteen playgrounds have been placed at excellent locations throughout the city each supervised by a selected instructor. Rees Flannery is the director of recreation for the city. Children take pride in their playgrounds and work to keep them in good condition. This summer should prove to be a memorable one for the local grounds.

Queen Of Roses Crowned At Club

Josephine Costa Reigns As Queen

JOSEPHINE COSTA

Coronation of the queen of roses, Miss Josephine Costa, took place during unique and impressive ceremonies Sunday evening at 9:30 o'clock, sponsored by the King Humbert Auxiliary in their hall, Division street.

The queen's court included: Sylvia Tranquillo, Ann Marone, Sue Sands, Bessie Recupio, Teresa Muscolino, Ann Vericelli, Agner Cepro and Anita Angelucci. They wore gowns of pastel shades and carried Colonial bouquets.

They participated in the coronation ceremony, after president Mrs. Harry Berardi had crowned Josephine, the queen of roses. She was presented with a huge bouquet of roses, and was charming in a white gown and regal ruby cape. Junior bridesmaids who carried the train were: Mary Sunday, and Patricia Rully, and Anita DeCaprio was the crown bearer.

Program Follows

An enjoyable program followed and vocal selections were offered by Peggy Ezzo; a tap dance and vocal selection by Mary Ann and Shirley Williams; tap dance by Donna Masters; bamboo dance by Angela Stella.

An informal time was held afterwards and dancing was the principal diversion. The door prizes were captured by Pat Tavern and Frank Fulena.

During the evening, shoulder corsages were presented to president Mrs. Harry Berardi; and general chairman, Mrs. Carl Tranquillo in behalf of the queen and the court.

This is the first event held of this kind at King Humbert Auxiliary and its success was met with enthusiasm on the part of the members and guests attending. Similar events are being planned for the future.

At the close, tasty refreshments were served by Mrs. Patsy Volpe and Mrs. A. Streddo. Aiding Mrs. Tranquillo, was assistant chairman Mrs. Christine Bosco, Mrs. Arsenio Aromando, Mrs. Armando Vericelli, Mrs. Hazel Rully, Mrs. Anthony Costa, vice-president, Mrs. Domenick DiCaprio, and Mrs. Joseph Cepro.

Hundred Special Trains For Scouts

PHILADELPHIA, June 6.—(INS)—More than 100 special trains will be pressed into service by the Reading railroad to transport some 47,000 Boy Scouts to nearby Valley Forge for their national jamboree over the July 4 holiday.

The carrier said the jamboree will be "one of the largest peacetime passenger operations" it has ever handled.

The scouts will come from all over the nation and from parts of Canada, Mexico and Europe. Early arrivals will reach Valley Forge June 26, and the last will leave on July 8.

Special trains also will be operated between Valley Forge and Philadelphia to accommodate sightseers and parents.

CHURCH NOTES

The Willing Workers Bible class of the Moravia Presbyterian church held their regular monthly meeting on Friday evening, June 2, at the home of Mr. and Mrs. W. L. Perry. The president, W. C. Gwin opened the meeting with everyone repeating the Lord's prayer after which the minutes of the last meeting was read by the secretary, Mrs. W. C. Logan. Plans were made to have the next meeting at Cascade Park.

New officers were elected at this meeting which are as follows: president, Norman Duff; vice president, W. C. Gwin; secretary and treasurer, Mrs. Clare Kennedy; social committee: Mrs. W. L. Perry, Mrs. Norman Duff and Mrs. Lee Gwin; floral committee: Mrs. John Anderson and membership: Mrs. Adolf Werner.

A delicious lunch was served by those on the social committee.

MORAVIA NOTES

Children's Day will be on Sunday, June 11, with the program at 11 o'clock.

Mr. and Mrs. Fred Crawford and family, Mrs. J. M. Stephenson and family and Mr. and Mrs. E. C. Allen and family attended the open house celebration of their aunt and uncle, Mr. and Mrs. Frank D. Allen of Wampum, who celebrated their golden wedding anniversary on May 30.

Vacation Bible school will be held at Mt. Jackson High school, June 12 to 23.

Clean up day at the church will be on Wednesday, June 14, a tureen dinner will be at 6:00 p.m.

GRANGE NOTES

North Beaver Grange meets at their hall in Moravia on Thursday evening, June 15 at 8:30 p.m. with Master Alan Anderson in charge. After the regular meeting grange will be closed and an open meeting will follow with C. W. Beerbower of New Wilmington as guest speaker who will speak on Folklore History and Indian Paths of Lawrence county.

Gaston Auxiliary Plans Activities

American Legion Auxiliary, of Perry S. Gaston Post No. 343 gathered Monday evening in the Legion Home, North Jefferson street, with Mrs. Andrew Hedland, president, presiding.

Reports were given by Mrs. John Speed, membership chairman, and Mrs. Walter Forrester, active chairman. A project is being planned for June 28.

Mrs. Wade Daugherty, hospital equipment chairman, stated that wheel chairs and fracture beds are in circulation. Mrs. Harry Shaffer, hospital chairman, reported that cards had been sent to the sick, and the bereaved had been remembered with cards as well as flowers.

Mrs. Thomas Boyle, education of war orphans committee, told of the unit's orphan at Scotland school. Upon investigation, Mrs. Boyle has found there are no departed veterans' daughters eligible for scholarships this year, but one has been located for next year.

Mrs. Ira Miller was awarded "a white elephant."

Election of officers for the coming year will take place at the next assembly Monday evening, June 19, at 8 o'clock at the Legion Home.

Corporate Net Income Taxes Fall Short Of Estimate

HARRISBURG, June 6.—(INS)—A breakdown of general fund revenue during the first half of the 1949-51 biennium disclosed today that corporate net income taxes fell \$18,685,287 short of estimates.

The state budget bureau issued the breakdown to show that despite the decline not only in corporate net income but nine other taxes, the commonwealth ended the first year of the biennium with a drop of only \$361,054 in general fund revenue from estimates made in February, 1949.

Budget Secretary Edward B. Logan blamed the decline in taxes on a business recession early in the year including the series of strikes which upset economy.

Other tax drops reported by the bureau were domestic and foreign bonus, \$553,450; domestic corporation loans, \$329,481; gross receipts on boxing and wrestling, \$182,000; malt beverage and other special taxes, \$412,945; legal documents, \$54,407; inheritance, \$2,041,580; liquor (10 per cent) \$821,356.

The budget bureau said the total regular corporation taxes—the corporate net income levy is a so-called "emergency tax"—were \$13,181,601 above estimates at the end of the first year of the biennium.

Gain registered by all other taxes pruned the overall losses to \$361,054, the bureau reported.

CHEMICALS WILL CONTROL WEEDS IN CROPS

Weeds will no longer take the crop of corn or oats when chemical weed control methods are used. Most broad-leaved weeds, including ray-weed, wild mustard, wild radish and bindweed (peavine) are killed in fields which are sprayed properly.

2,4-D materials are used in special sprayers which apply as low as five gallons per acre. When properly applied on corn or oats, there is little or no injury to the crop. Use one-quarter pound of 2,4-D acid per acre when using the ester form, and on half pound when using the amine form. In most cases the amine form is more satisfactory as there is less chance for injury to the crop and to nearby plants. Chemical weed-killers will not replace cultivation. Chemical weed-killers must be used with care or severe loss may result. For additional information, ask for the new circular "Chemical Weed Control in Farm Crops and Vegetables," which is available at the Agricultural Extension office, 206 Post Office building, New Castle.

STRAWBERRY PLANTS NEED FERTILIZER

Strawberry plants need an application of nitrogenous fertilizer from three to five weeks after the plants are set out. This will aid the formation of more and earlier runner plants and it is the early berries that will turn out the most berries next year.

Proper application is usually about 150 to 200 pounds per acre, or two pounds per 100 feet of row, when nitrate of soda or an equivalent amount of fertilizer in other fertilizer is used. Because ammonium nitrate carries twice as much nitrogen, only half this amount will be needed. On the other hand, if a mixed fertilizer like 5-10-5 is used, the application will have to be three times the

amount to carry an equivalent amount of nitrogen. Application of fertilizer to strawberry plants may be made in an eight to ten inch circle around individual plants, or beside the row with a fertilizer distributor. Any fertilizer which falls on the leaves may result in burning.

SALADS HELP SATISFY FAMILY APPETITES

Early fruits and vegetables are just right for the salad bowl and for appetites, too. With a variety of vegetables and greens already washed and in the crisper or in plastic bags in the refrigerator, salads are no trouble at all. Keep a few fruits on hand and you can toss together almost any kind of salad on short notice.

Instead of always serving the traditional cooked dressing or mayonnaise, surprise the family with something different. Sour cream is excellent on a mixture of cut leaf lettuce, thinly sliced radishes, and chopped scallions. Season the cream with salt, white pepper, and a little tarragon vinegar. Toss the ingredients together and serve the salad at once.

For a different tang to French dressing, mix two tablespoons of tart pineapple preserves with the oil, vinegar and other seasonings. Honey lime dressing is as follows: Mix together one egg, beaten; 1/4 cup honey; 1/4 cup fresh lime juice, and one cup sour cream. Cook over hot water until thickened. Chill and serve on fruit salad.

To serve with crisp raw vegetable relishes, try Avocado cottage cheese dip. Mash an Avocado, mix in one cup cottage, season to taste with salt, pepper, lemon juice and a dash each of Worcestershire and Tabasco sauce. Serve the sauce in a small bowl in the center of the relish tray.

THANKING DONOR FOR WEDDING GIFT

"I have a problem which I know you can help me solve. A few days ago, I visited a bride and groom of a month or so. They have just returned from their honeymoon. I was invited to their wedding but could not attend, so when I visited them I gave them my wedding gift. The bride had her gifts displayed but did not ask me if I would care to see them. That I did not mind. She took my gift but never opened it. Was that proper? I always thought when a gift was presented it should be opened and the donor thanked. Am I right or wrong?"

Answer: Perhaps it was an oversight on the bride's part. Usually when we receive gifts, we open them immediately and spontaneously exclaim how lovely the gift is, and personally thank the donor. But, as I say, perhaps it was an oversight on her part.

Question: When should salad be served at dinner? On which side of the large dinner plate should it be put?

Answer: Salad may be served along with the dinner if it is informal or just following the main course. If it is served along with it, no salad work is necessary. If served after the main course, a salad fork is a "must." The salad plate should be placed to the left of the dinner plate.

Present your problems to Miss Markel who will promptly send personal replies to questions from readers inclosing stamped, addressed envelopes.

"I Do"

IT MAY HAVE BEEN but a decade ago, or it may have been far back in the "Twenties" . . . but sometime, somewhere, a young man stood in the soft light of a Junetime morning and repeated the words—"I do."

Since that time, he has fought—without interruption—for the place in the world he wants his family to occupy.

And it well may be that, out of the struggle, he has lost just a bit of the sentiment that used to abide in his heart

—for success is a jealous master and exacts great servitude.

But not when the Junetime comes—and, with it, that anniversary of another June!

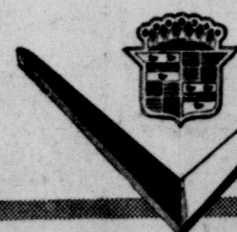

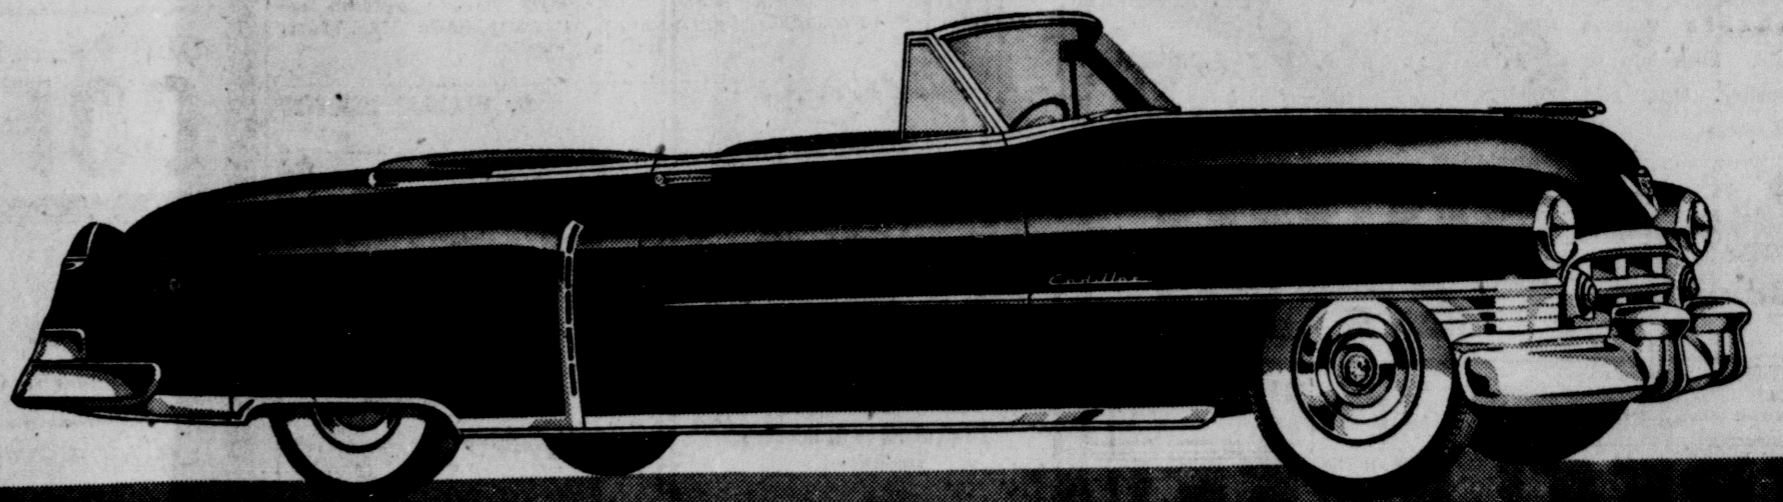

Then the work-a-day world, with its many tasks, is cast abruptly aside; and sentiment—pure and simple—rules in his heart once more.

And, because there are so many thousands of him, doorbells are ringing this June throughout America . . . and

smiling boys in uniform stand, hats in hand, to deliver the proofs of remembrance. And along with the beautiful flowers, and the boxes of candy, and the countless other gifts, some of those brides of other Junes will receive the titles to new Cadillacs.

And, for them, there will be no other June like this—save one alone.

As your Cadillac dealer in this community—we've had long practice in the art of keeping secrets. Why not come see us today? You can trust us not to tell!

Progress At Castlewood

Report At Meeting On Civic Projects

Additional progress was in evidence at the regular monthly meeting of the Castlewood Civic Association held Monday evening at the East New Castle Grange Hall.

In a report by Franklin Long, chairman of the water committee, it was stated that since the last meeting of the Civic group a series of talks have been going on with Mr. Schill and Mr. Lutton of Ellwood City relative to the bringing of city water to the rural district.

It was agreed that a booster pump would be needed to bring water from the city, a 250,000 gallon tank would be provided along with fire hydrants. However, the expenditure on such a project would involve a large sum of money and before anything definite will be decided upon a complete study of the matter will be undertaken. It was the consensus of opinion that in the matter of fire protection alone the cost would be amply returned.

Seek Road Improvement

Recently a petition containing names of 270 citizens asking for the improvement of Cline hill road was turned over to Mr. Martin of the local Department of Highways. After routine procedure in such matters Mr. Martin stated that a report will be returned to the Civic body.

There has been considerable discussion regarding the legality of a zoning ordinance being drawn up and in a report given by Everett McCracken, chairman of the Zoning Committee, it was decided to consult legal advice in the matter.

The Civic group voted to offer its appreciation to Glenn Johnson head of the Shenango school and to the many students who took part in the advertising project.

Considerable time and effort was given by the school and its students in preparation of bill posters.

It was voted that because the next regular meeting date will conflict with the coming holiday the next meeting will take place on July 10.

At the close of the business session a fine musical program was offered. Included in the show were the The Jive Comboes, a musical trio; Betty Baney, dancer; Mickey Kraynac, darling young 5 year old majorette of Ellwood City high school in her Military Baton dance and pedestal act; Bobby Kewait talented young vocalist; Carol Sue Timblin in the cutest rumba you ever watched; Shirley Thomas, tap dancer; doing the Johnston Rag were Betty Baney, Patty Mentzer, and Shirley Detrich, all talented dancers in the 14 year age group; Barbara Lee Mentzer as the Junorette Girl.

Strong Opposition To Court Decision On Racial Segregation

WASHINGTON, June 6.—(INS)—Strong opposition is growing today to a series of Supreme Court decisions affecting racial segregation in the South.

Opposition taking the form of legislation also developed to the Supreme Court's award of title to oil rich tidelands to the federal government rather than the states.

In three separate unanimous decisions the high court ordered segregation ended in railroad dining cars; told the University of Texas to admit a negro to its white law school, and declared that the University of Oklahoma must end restrictions forcing a negro graduate student to eat and sit apart from white students.

First blast from the opposition came from Georgia Governor Herman Talmadge, who defied the ruling. Talmadge told Georgians: "As long as I am your governor, negroes will not be admitted to white schools."

New Bedford Man Is Granted Patent

On May 16, 1950, the United States Patent Office granted patent number 2,507,817 on a "Method and Apparatus For Heating and Forging Elongated Metal Blanks" to Irwin Ropp, New Bedford, Pa. and Wilbert S. Blackstone, Youngstown, Ohio.

This invention pertains to an improved method and apparatus for producing railroad spikes, bolts and the like; and, as such, it affords a means for manufacturing such articles in an economical and rapid manner, while imparting high quality thereto.

As a principal feature, Messrs. Ropp and Blackstone provide an arrangement whereby a number of blanks, each of a length sufficient to produce two spikes, are heated only at their center and end portions. This allows the stock to be effectively gripped or clamped at its end sections, and enables the two ends of the blanks to be upset simultaneously in the forging machine in order to create the heads of two spikes. Thereupon, the hot center portion is treated and severed to form the pointed tips of the finished products.

It should be noted that the actual heating of the blanks is accomplished electrically by means

of three properly spaced coils; and that the time required therefor is very short. The upsetting job is carried out in a machine to which these locally-heated blanks are fed in rapid succession; and the formation of scale is reduced to a minimum. In addition, the entire arrangement is such that any scale or foreign debris which may adhere to the blanks is allowed to fall free and clear of the moving parts of the mechanism, thereby insuring uninterrupted use of the apparatus over long periods of service. Finally, according to Messrs. Ropp and Blackstone, all of the operations upon the individual blanks are performed in a timed and consecutive manner, with the result that production is rapid and quality is high.

The application for this patent, which consists of eighteen claims of originality, was filed on December 9, 1947.

Brigham Young created the first department store in the United States in Salt Lake City Utah in 1868.

California Voters Are Going To Polls

SAN FRANCISCO, June 6.—(INS)—California's voters go to the polls today in a nationally significant primary election highlighted by a battle between Republican Governor Earl Warren, seeking an unprecedented third term, and James Roosevelt.

The United States senatorial seat

being vacated by the ailing Democratic Senator Sheridan Downey is also at stake in a three-way struggle ranking next to the gubernatorial contest in national attention.

Among hundreds of nominations and offices being decided in the primaries are candidates for 22 congressional seats, while a 23rd congressman, Democrat Clair Engle of Red Bluff, is unopposed.

Little more than half of the Golden state's 4,925,369 registered voters are expected to show up at the polls.

Croton Playground Selects Leaders

An excellent example of democracy at work could be found at the Croton playground on the opening day Monday.

Summer activities were organized at the grounds under the leadership of Mrs. Morfydd Brown playground supervisor. Twenty-five children were running for office, with boys and girls to be selected as group leaders for the next two weeks.

Names were put on the ballot yesterday morning and at 2 o'clock one hundred fifteen children of the playground cast their vote and placed the ballot in a box. Tellers counted the votes and the outcome was as follows: boys' leader, Michael Lastoria and girl's leader, Valjean Fenati. The two chosen will help with all activities of the playground for the next two weeks.

Story Hour held Monday from 1 to 2 p.m., and will be a regular activity each day. Betty Cimini and Michael Lastoria were in charge of the event Monday, with Alice Lastoria and Dorothy Lazor presenting stories today.

Points are being awarded for any civic service done by any child at the grounds. These acts may include picking up paper, glass or other articles. Groups on Monday constructed safety posters and displayed them.

Softball captains, Walter Fagnell, Fred Harfelder and William Rieck, are trying out prospective players to organize teams for the summer leagues.

New Weapons May Aid Drive By Red Troops

WEST POINT, N. Y., June 6.—(INS)—Secretary of the Army Frank Pace, Jr., told West Point's graduating class today that "revolutionary new weapons" soon may make a Russian sweep across Europe impossible.

Without mentioning Russia by name, Pace told the Army's newest second lieutenants:

"We and our allies can never hope to compete with our potential enemies in numbers and masses of ground troops and weapons of conventional type."

"It is therefore obvious that we in the Army must depend to a great extent upon intensive scientific research and development, directed at equipping our ground forces and the forces of all allies with such advanced and superior weapons that they can overcome the overwhelming numerical advantage of our potential enemies."

May Be Overrun

"It is generally recognized that the greatest present threat to our civilization is the possibility that western Europe may be overrun by hostile ground forces. The best way to prevent such a catastrophe is to be prepared to meet those masses of heavily mechanized ground forces with smaller numbers of highly scientific ground troops equipped with revolutionary new weapons."

A similar theme was struck on Sunday by Army Chief of Staff General J. Lawton Collins, who six years ago today was leading American troops in the D-Day fighting in Normandy.

Collins identified the weapons as atomic in nature and Pace also said the "tactical use of atomic weapons" may soon make tank warfare "obsolete."

Two Sentenced For Freight Car Thefts

HARRISBURG, June 6.—(INS)—Two Harrisburg men were sentenced for the Eastern penitentiary today after pleading guilty to a series of lootings in Pennsylvania and Reading railroad freight cars.

Frank Noggle, 29, a P. R. R. brakeman, was sentenced to three to six years and Frank Stone, 20, was given two and a half to five years.

Sentence was pronounced yesterday in Dauphin county criminal court.

Clement Paul Fure, 42, of Steelton, pleaded guilty to accepting the stolen goods and was sentenced to Dauphin county jail from 11 to 23 months.

Police said the robberies extended from February 1, 1949, to April 4, 1950. Value of the loot was estimated at \$8,000, most of which was recovered.

OSTROWSKI-BOCZAR MARRIAGE NEWS

Mrs. Mary Ostrowski, 58 Bluff street, announces the marriage of her daughter, Clara, to Henry S. Boczar, son of Mr. and Mrs. J. Boczar of 54 High street.

The impressive double ring ceremony was solemnized in the Madonna church on May 30 with Rev. Fr. Edward Pikulik officiating.

Anthony Ostrowski, brother of the bride, escorted her to the altar. She wore a white organdy gown over white satin, styled with a high neckline and long sleeves. The full skirt was fashioned in a pinaflore style and ended in a flowing train. A fingertip veil of bridal illusion was caught to a halo of pearls and rhinestones. She carried a colonial bouquet of white lilies of the valley, centered with orchids. Miss Jane Teles, as maid of honor, was attired in an orchid net gown with a crownless picture hat. She carried a bouquet of pink roses. Michael Brysh served the groom as best man.

A wedding reception was held in the bride's home. Afterward, Mr. and Mrs. Boczar departed for a honeymoon trip to the eastern part of the state. They will be "at home" in their newly furnished apartment on Fern street.

Mrs. Boczar is employed in the gold room of Shenango Pottery. Her husband is a graduate of Union high school and is employed at the U. S. Post Office.

Fullerton-Sharp Reunion
Members of the Fullerton-Sharp families will have a reunion Saturday, June 10, in Westfield Grange hall, with a picnic at noon.

JINIA CIRCLE ENJOYS PROGRAM

Jinia Girls' circle of Third United Presbyterian church gathered in the recreation room of the new manse, East Washington street, with Jean Graham as hostess.

Irma Allen led devotions, while Mrs. J. Paul Graham offered prayer. Mrs. Horace Allen, who presented the program, spoke on "Christian Homes in Many Lands." A list of missionary books for the reading course was discussed. The group decided to collect items for missionary boxes at each meeting.

After games were enjoyed, the girls roasted wieners and toasted marshmallows in the fireplace. Donna Sherman, Ryan avenue, will entertain at a picnic Thursday afternoon, July 6.

W.B.A. REVIEW 98 MEMBERS GATHER

Members of Women's Benefit Association, Review 98, met Monday evening in the I. O. O. F. hall with the president, Mrs. Helen Gordon, presiding.

Mrs. Cora Fisher, delegate to the state convention held at Uniontown on May 9-10-11, gave an interesting report on the highlights of the convention.

The group made plans for a picnic to be held in August. After the meeting, a social time was enjoyed by the members. Winners in the contests were Mrs. Charlotte McCullough and Mrs. Helen Gordon.

The next regular meeting will be held June 19.

J.H.W. SOCIETY ENJOYS OUTING

Jean Hill Williamson Missionary society of Highland U. P. church enjoyed a tureen dinner Monday evening at the cottage of Mrs. Robert G. Dickson, McConnell's Mills.

A tasty meal was served on the porch by Mrs. Dickson, Mrs. R. Harold Boak, Mrs. C. A. Gardner, Mrs. Robert A. Eckles, Miss Margaret McCreary and Mrs. Richard J. Davis.

Mrs. Frank L. Burton, president, opened with prayer. Mrs. Carl Cheers, temperance secretary, gave the story "Mr. Jones Meets The Master," written by Peter Marshall, former chaplain of the United States Senate.

Using "Christ, the Master Teacher" as her topic, Miss Elsie Grier led devotions, while Mrs. Irvine A. Balph conducted the prayer cycle.

Mrs. Mendal Smith stressed the lives of Mary Moffatt and Mary Livingstone in her review of two chapters of "Dauntless Women," a study book.

Four members of the group, Mrs. J. P. Campbell, Mrs. Samuel G. Staats, Mrs. Thomas I. Elliott and Mrs. Balph, are planning to attend the Women's General Missionary convention June 16-21 at Miami University, Oxford, O.

The group will unite with other societies of the church for a Mission Study day in September.

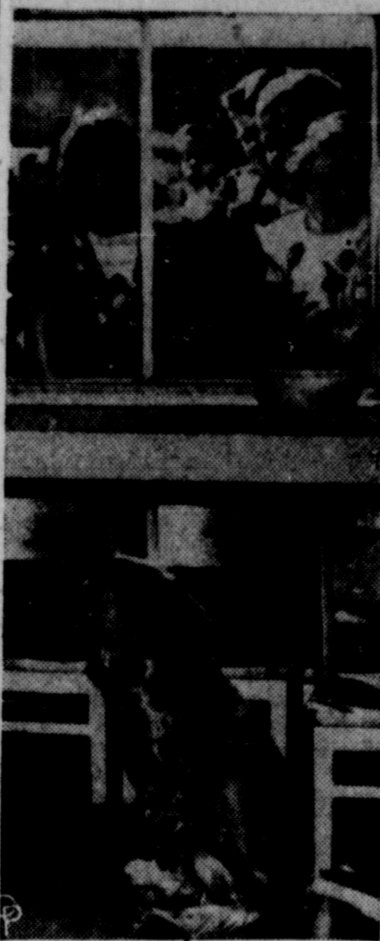

Next assembly will take place Monday evening, October 2, in the church parlors.

ANTIONETTA DANTICO ENGAGED TO MARRY

MARY ANN BARELLA NAMES ATTENDANTS

Members of the bridal party have been named by Miss Mary Ann Barella, bride-elect of June 17. Miss Barella, daughter of Mr. and Mrs. Nick Barella of 526 Lyndal street, will become the bride of Charles A. Augustine, son of Mr. and Mrs. Charles Augustine of 716 North Mercer street.

Marriage vows will be repeated in St. Vitus church at 8 a. m. with "open church" to be observed. An evening reception will be held at the Ecclesian club from 7 to 10:30 o'clock.

Miss Pauline Lombardo will attend the bride as maid of honor. Serving as bridesmaids will be the Misses Mary Giamarino, Ann Brower, Bridgeport, Conn., cousin of the bride; Ann Carpolotti and Peggy Ezze.

Raymond Augustine will be best man for his brother. Bill Cast; John Barella, brother of the bride; Joe Cubellis, and Mike Cioppa will be ushers for the occasion.

Miss Barella was guest of honor at a shower given Sunday evening in her home by Rose Farbo. Pauline Lombardo and Edith Attisano were co-hostesses for the evening.

Games were the diversions of the event, with prizes won by Ann Carpolotti, Phil DePiero, and Pauline Lombardo.

Dainty refreshments were later served buffet style. Colorful favors were pink and yellow baskets revealing the news. "Mary and Chuck, June 17, 1950." A large wedding cake, topped with the names of the couple, centered the prettily arranged table.

An array of gifts of a personal nature were later showered upon the honored guest.

KATHRYN COSTELLO NAMES BRIDAL PARTY

Miss Kathryn Costello, daughter of Mr. and Mrs. James Costello, 112 South Scott street, has chosen Wednesday, June 14, as the date of her marriage to Samuel Francz, son of Mr. and Mrs. A. Francz, 91 1/2 East Home street.

A nuptial high mass will be performed in St. Vitus church at 9 a. m.

Miss Theresa Vascetti will be maid of honor for the bride. Bridesmaids will be Miss Josephine DeMarco, Miss Margaret Magno, Miss Donna Jean Barlett and Miss Delores Frances.

Guido Jannetti will serve the groom as best man. Ushers will be Joe Francz, John Vargo, Dan Iozzi and James Padula.

MRS. F. H. COLE IS GUEST HERE

HOPE COURSE

HOLLYWOOD—(INS)—During his innumerable travels Bob Hope has found time to play golf on practically every major course in the country, as well as quite a few in foreign lands. From these experiences, he has evolved plans for construction of a unique golf

course on the 100 acre hunting and fishing resort near Cleveland, recently purchased by him in partnership with his brother, Fred. The course will be one of the most difficult in the country, in that it will be a composite of what Hope considers the toughest holes he has ever played.

Moles have been known to tunnel as much as 300 feet in one night.

State Authority Makes Report Of Progress

HARRISBURG, June 6.—(INS) —The General State Authority predicted today that \$143,260,000 worth of public improvements approved so far will be completed by March 1, 1953.

Upon completion, the GSA said, the commonwealth will begin paying rentals as provided by law to amortize the construction costs over a 30-year period.

The agency's prediction was made as it prepared to sell \$65,000,000 worth of bonds at public auction June 21 to supplement a \$30,000,000 issue sold July 14, 1949.

The difference between the worth of the projects approved and the anticipated bond total represents that part of the program to be placed under contract following other bond issues.

The GSA was established by the General Assembly and empowered to issue up to \$175,000,000 worth of bonds.

Progress Report

The GSA made the following progress report:

(1) Approval of 277 projects, of which 120 are mental hospitals or other institutions under the Welfare department; 64 at state teacher colleges; 41 for the Forests and Waters department; 31 for the Pennsylvania State college; 13 for the Health department; seven for the state police and one for the Bradywine Battlefield Park commission.

(2) Projects costing \$3,054,062 completed and other projects for which more than \$20,000,000 allocated in authority bonds to be finished by December 1.

(3) The \$89,000,000 Welfare department program will be completed and bringing in rentals by March 1, 1953, including the \$9,000,000 Eastern Pennsylvania Psychiatric institute.

(4) The authority estimated it will collect \$800,000 in rentals this year; \$5,700,000 in 1951 and \$8,000,000 in 1952.

(5) The \$9,714,000 building program at the Pennsylvania State college will be completed by May 1, 1952, and \$18,956,000 in construction at other educational institutions will be finished by December 1, 1952.

(6) The authority's \$4,701,882 share of the \$35,000,000 Schuylkill river cleanup will be completed by December 1, 1950.

AUTO FIRE

Economy Pinch Is Back To Congress

WASHINGTON, June 6.—(INS)

—The navy took its economy pinch back to Congress today in a way that hurt—it proposed a slash in Congressional appointments to Annapolis.

Since the establishment of the service schools, Senators and House members have treasured their ability to appoint deserving candidates to the military and naval academies.

They now have appointments to give out annually, but the navy, represented by Rear Adm. John W. Roper, chief of naval personnel informed each and every member of each house that Congressional economy in naval appropriations would force the service to limit the appointments to four for each law-

Life Sentence For Buswell

SAN FRANCISCO, June 6.—(INS)—Air Force Sgt. Lyle H. Buswell, 33, convicted of the rape murder of Women's Air Force Sgt. Fairy E. Decker, 44, of York, Pa., was sentenced Monday to life in prison.

Federal Judge Louis E. Goodman sentenced Buswell to life on each of three counts—first degree murder, second degree murder in the course of rape, and rape—the sentences to run concurrently.

Buswell will be eligible to apply for parole in 15 years.

The husky, 205-pound Buswell, who hails from Rutland, Vt., received the sentence stoically after Judge Goodman denied a motion by Defense Attorney James E. Burns for a new trial.

Burns, who was appointed by the court to defend Buswell, was complimented by Judge Goodman on his skillful conduct of the defense and the judge deplored the fact that congress does not provide funds to pay attorneys in such instances.

Buswell was convicted of raping and killing Mrs. Decker at Hamilton field, near San Francisco, the night of last March 25.

Wendell H. Butler Is Awarded Prize
BEAVER FALLS, June 6.—Wendell H. Butler, son of Mr. and Mrs. Howard A. Butler, R. D. 7, Mahoningtown, was awarded the general excellence prize at Geneva college commencement exercises held this morning.

A junior pre-med major, Mr. Butler attained the highest scholastic grade average for the past year of any student in the college. The prize of \$50 is given by Dr. Robert M. Young, Pittsburgh, president of the Geneva college board of trustees.

Mr. Butler was recently elected president of the Student Senate for next school year. He is a member of the male quartet, pre-medical society, track team and this past year served as president of his class.

Summertime Study???
One of our neighbors stopped me on the street the other day and asked for some advice. His 10-year-old has been out of school a good deal this winter with colds, and has gotten a little behind in his studies. "What do you think about having Roger study this summer?" was the question Mr. Armour raised.

There's no easy answer to such a question, but there are some things that every parent ought to consider: Here are a few: How much is a youngster likely to benefit from studying when all the rest of the kids are having a good time? Is it actually necessary for him to cram? Will he really be so far behind? What does the school think about it? And, most important, what does Roger or Sally or Peter think about it?

If it seems very clear that the child will give a difficult time keeping up with his class and, it is important for him to stay with these youngsters, some sort of summer studying might be considered. But it should be arranged so as not to "ruin" his entire vacation. Short periods, as little nagging as possible and a calm patient attitude on the part of the person who is helping him are "musts". Perhaps an early morning hour before the day's activities start will help.

In the summertime there are so many important things for young children to learn—on the playground, in the woods, at camp, on beach or lake shores—so it is a pity to bother them with too much "homework".

Prompt Action Saves 28 Men Overcome At Philadelphia

PHILADELPHIA, June 6.—(INS)—Prompt action by police and fire rescue squads was credited today with saving the lives of 28 men who were overcome when a chlorine gas tank sprang a leak at the Container Corp. of America plant. The yellow-green fumes, which are considered deadly, seeped thru the plant yesterday afternoon. Two

firemen and 26 workers were overcome and four of the victims were detained at hospitals.

Chlorine is used at the plant to bleach the materials used in certain containers. Employees were not aware of the leak until their fellow-workers began dropping to the floor.

Some 300 employees fled the plant.

Donald M. Fly, mechanic at Nace's Service Station, Souderton, Pa.

Skilled Mechanic

One of the many good mechanics in Souderton, "Don" Fly keeps quite a few cars and trucks in good running order. One of them is the Bell Telephone truck pictured. This raises a point worth remembering: Bell Telephone's big fleet of nearly 3,500 vehicles in Pennsylvania is really many little fleets . . . bought from local dealers, driven by local telephone men, serviced by local garages and gasoline stations.

That's typical of the telephone

industry. Last year alone Bell Telephone did business . . . as a customer . . . with some 2,000 Pennsylvania companies, in more than 200 communities. This helped provide work and wages for countless mechanics and other skilled people throughout the state.

Any way you look at it, the successful operation of the telephone business means a great deal to the steady employment of a great many Pennsylvanians, both in and out of the telephone industry.

Hennon Named Jury Foreman

Grand Jury Hears Criminal Charges

Clyde B. Hennon, a merchant of the fourth ward was named foreman of the Lawrence County June grand jury which opened Monday. Judge John G. Lamoree charged the jury, instructed the members in their duties and responsibilities and then turned them over to District Attorney Sherman K. Levine. Mr. Levine has 19 defendants named in bills of indictment, with some twenty four charges preferred against them. If this term of criminal court follows the usual pattern, the actual number of cases tried will be small.

FILE ANSWER

City employees who have been named intervening defendants in the case of J. P. Genkiner against the City of New Castle retirement system have made answer to the charges of the plaintiff.

The employees, Edith M. Cleaveland, Cordelia Jones and J. Harold Wood, by counsel, have denied the allegations of the plaintiff that the retirement fund is illegal, is a waste of public money and that several of the city council had personal reasons for adopting the retirement ordinance.

The case is now ready for testimony.

TOWNSHIPS ASK AID

A number of townships have asked the county commissioners for aid in repairing and improving township highways. Under a recent rule the state highway department must approve all such requests and several have been denied.

More and more the state seems to be taking over what would appear to be rights of the counties. The most recent is the refusal of the state to permit the counties to make contributions towards highway improvements out of the liquid fuels tax.

This money is returned to each county upon the basis of one half cent per gallon or every gallon of gasoline taxed in the county. The money thus returned has always been doleed for road improvements and the payment of principal and interest of highway bonds.

There are three highways now under improvement in which the county is expected to contribute towards the damages and in which the county agrees to contribute. The commissioners feel the money

should come from the liquid fuel tax. The state says no, it must come from general fund.

This might appear to be taking it out of one pocket to fill another but actually it isn't. When the liquid fuel tax gets a surplus as large as the current return from the state, then the money must be paid out to the townships for road improvements. Hence if contributions must come from the general fund, the liquid fuels tax would soon be going to the townships and the general fund would have to be increased.

CHICAGO, WRIGLEY PARK—Brooklyn Outfielder Jim Russell is on his back on the pitchers' mound during the fourth inning here yesterday after he rushed out from the batters' box to mix it with Paul Minner of the Cubs, who Russell claimed threw a "bean" ball. Minner from New Wilmington, Pa., is the nearer of the two men on top of Russell and Catcher Bob Scheffing of the Cubs is beyond Minner. Bill Serena of the Cubs is in the center. Beans' Reardon is the umpire. Minner was the starting, and losing pitcher for the Cubs, Brooklyn won 13-1.

Ray Robinson Decisions Villemain To Win State Middleweight Crown

By CHARLES EINSTEIN

(International News Service Sports Writer)

PHILADELPHIA, June 5.—

Sugar Ray Robinson, fresh from

winning the Pennsylvania middle-

weight title by beating Robert Vil-

lemain like a drum, said today he

plans next to win the world cham-

ampionship, retire, and live off his an-

nuities—and he can do all three.

The wealthy welterweight champ

stepping into the next weight class

with both eyes peeled for Jake La

Motta, titelholding hermit of the

middleweights, decided the

great-hearted Villemain from here

to Paris before 18,856 paying fans

at Municipal stadium last night.

Besides making him \$25,000 richer,

which in Robinson's case is like

asking Fort Knox to change a ten,

the decisive 15-rounder made the

lithe Harlemite official 160-pound

champ in Pennsylvania and official

contender for La Motta's world

title elsewhere.

La Motta Or Graziano

What that means is that Robin-

son gets the first shot at the winner

of the La Motta-Rocky Graziano

title match in New York June 28.

That alone may induce La Motta,

already a four-time loser to Robin-

son, to stay in hiding for the rest

of his natural days.

The real loser in it all is Vil-

lemain, who deserved something bet-

ter. A 9-to-2 underdog at ring

time.

Robinson, calling Villemain "one

of the greatest I ever fought" in

tribute that may have been more

spontaneous than accurate, says he

hopes to fight again next month,

possibly against another French

middleweight, Laurent Dauthuille.

Villemain complained that Sug-

ar Ray was lying all over him.

Sugar Ray said he was sorry the

boy felt that way.

"That's how it goes," Robinson

added. "I'm getting out inside of

two years. I have plenty of out-

side interests. And besides, this

game is too tough.

'Meyer To Stay,'

McKinney Says

Not Contemplating

Immediate Change

INDIANAPOLIS, June 6.—(INS)

—Pittsburgh Pirates' president

Frank McKinney insisted today

that Billy Meyer is not to be

ousted as manager of the Bucs

and replaced by Al Lopez, boss

of the Indianapolis Indians.

McKinney returned to Indian-

apolis yesterday following a week-

end conference in Pittsburgh with

players and officials of the sev-

enth-place Pirates.

No Change

"We contemplate no change in

managers at Pittsburgh in the near

future," McKinney said.

"We are 100 per cent behind

Meyer and have explicit faith in

his managerial ability.

"The situation in Pittsburgh is

one revolving around injuries. We

have only 14 players without an

ailment of some sort in a squad of

23.

"Despite the string of losses, the

spirit of the club is great."

Locals' Loop Lead Reduced To Only Percentage Points

New Castle's tenure, as sole occupants of first place, in the Middle-Atlantic league, has been reduced to 13 percentage points, by the 15 to 12 loss, at Oil City last night, as Butler bounced Johnstown 8 to 5.

Today New Castle has the lead with 20 and 9 for .690, while Butler with 21 and 10 has .677. Erie (17-12) coming up fast has the third place slot today, only one and a half games behind, while Oil City (16-13) is listed two games back of New Castle in fourth place.

Niagara Falls Here Tonight

Tonight The Senators will open a three game stand at Flaherty Memorial Field with the Niagara Falls Citizens the opponents. The Border City team took one out of two at Niagara Falls recently from The Senators.

Manager Chuck Cronin has nominated the veteran Frank Wagner (2-0) to do The Senator's pitching tonight. Niagara Falls may counter with their ace Joe Promowicz (4-1). Promowicz bested The Senators in the loss suffered at the Falls. Rossman being the loser, in a relief role.

Butler will have a tough three-game series to face starting tonight at Vandergrift while Oil City will open a do or die series at Erie tonight.

Thursday night has been designated as "Ladies' Night" at the ball park.

Zedalis Chased

The usually effective Stan Zedalis, trying for his fifth win last night against one defeat, lacked his stuff and was pounded for 11 hits and charged with 12 runs during his seven-inning stint, with his successors, Neal Marino and Dick Janacone, not faring any better. Marino, in one-third of an inning walked three and hit one, while Janacone gave up one hit in two-thirds inning, an important double by Smith.

Oil City scored eight runs in the final two innings after the Senators had taken the lead with a seven-run attack in the big fourth inning, and scored four more in the ninth after two were out to make it 15-12. Hal Meeks' grand slam homer in the seventh climaxed a big five-inning rally for the Refiners in the seventh.

Bilo-Mouton Hit Hard

Gene Bilo, with three singles, and Al Mouton with three hits, a triple and two singles, led the Senators at bat, as they found Mc-Lish for 10 hits and got 10 walks. Mc-Lish fanned four men and was effective with men on base, the Senators leaving 10 players stranded.

The first New Castle-Oil City series this year stands at one each.

Oil City will play the Senators here starting June 12th for a three-game series.

Billy Mills, the famous baseball clown, will put on an exhibition at the ball park the night of June 12th, it was announced.

Golfing Stars Awaiting Open

PHILADELPHIA, June 6.—(INS)—Some of the nation's top-ranking golfers waited up to a good case of the jitters today after taking a look-see at the Merion Golf Club's east course, where the National Open will begin for a field of 165 on Thursday.

The 127-acre course with its high roughs and rolling greens is tough enough and deceiving enough to scare such veterans as Jimmy Demaret and Lloyd Mangrum, who won the open in 1946.

Demands Accuracy
"This course demands greater accuracy than any I've ever played in the open," said Demaret, who is the choice of Ben Hogan to win this year.

"I wish I had the hay-balling concession here," commented Mangrum.

Cary Middlecoff, the Memphis dentist who won last year's open, announced that he wasn't worrying about anything.

"Let's just say I'm full of hope. If I lose, I'll lose it on the golf course," he said.

Only four champs in the history of the open have won it twice.

Braves Acquire Young Outfielder

BOSTON, June 6.—(INS)—The Boston Braves have outbid four other Major League clubs to sign another school boy baseball star.

General manager John Quinn announced today that Vincent Pizzitola, 18, of Birmingham, Ala., has signed a contract to play with the tribe's Milwaukee (AAA) farm club.

Pizzitola, six feet, is an outfielder. He bats and throws right handed.

The Braves outbid their junior league rivals, the Red Sox, as well as Detroit, St. Louis Cardinals, and Phillies to get the much-sought after youngster.

Pizzitola starred with the Emsley high school and played in the National Junior Baseball Tournament sponsored by the American Legion.

St. Mary's, Seals, Lepores Win Games

Lepores defeated Sunset 12-10. Seals topped St. Mary's 10-3, and Croton spanked St. Margarets 17-6 Monday evening in American Legion junior league games. Fees were awarded a forfeit over the Junior Herd.

There will be a meeting of managers of all teams at the Legion home tonight at 8 o'clock.

The game between Sunset and Fees scheduled for Wednesday evening has been changed to Saturday afternoon at 2 o'clock at Deshon field.

Dartmouth will meet the University of Michigan for the first time in football this fall.

Sylvan Heights Matches Played

Results of the matches in the Sylvan Heights League, which were postponed from last Wednesday evening, because of rain, and which have been played off since then, have been given by league officials.

Morellas defeated Universal Pottery, 7-5; Shamrocks won from American Cleaners, 7 1/4 to 4 1/4; New Castle Eagles defeated Shenango Pottery, 7-5; Germani's won from United Engineering and Foundry, 10 1/2 to 1 1/2; New Castle Store defeated Johnson Bronze, 6 1/2 to 5 1/2; and in the only league match played last Wednesday evening, Iafrets defeated Castle Club, 6 1/2 to 5 1/2.

Shamrocks went into first place as a result of play, with Iafrets in second place, and American Cleaners in third place.

Shine Platek was medalist with a 37, while Bob Webber, Harry Toscano and J. Gennock had 39's. The teams will be in action again Wednesday evening for their regularly scheduled matches.

White Talks To Rotarians

Former Fish Warden Is Monday Speaker

Clinton B. "Rosy" White of New Wilmington, former fish warden, gave an interesting talk on the art of fishing, and the joy it brings whether the angler is successful in catching a creel full of finny beauties or not, on Monday noon at the weekly luncheon meeting of New Castle Rotary club.

Mr. White stated there is quite a bit of difference between fishermen and hunters. "Go out into the woods and shoot a deer and someone is apt to jump out from the nearest bush and claim your game, when you know that he has no right to do it," he said. "Go out fishing, however, and you are among gentlemen. If you lose your equipment, someone will be eager to help you out with parts of his. In my 12 years of experience as a fish warden, I never

heard of anyone trying to steal another angler's fish."

Fish and game belong to all of us, he stated. There is no question of whether you are a Republican or Democrat, or of what church you belong to.

He stated that in all the time he was a fish warden, he only had two law violators jailed. On the other hand, he was always ready and willing to help out youths who had made a mistake. It is better to build boys, he stated, than trying to mend men, and he had always carried out that thought in his dealings.

Miss Doris Coleman To Be Graduated

Miss Doris Miles Coleman will be graduated June 10 from the University of Colorado, Boulder, Colo.

She will receive two degrees: the bachelor of science in nursing, and the certificate for public health nursing from the College of Arts and Sciences.

Liquid air was produced in 1895 by Charles E. Tripler.

Ministers Have Final Meeting

New Castle Ministerial Association members conducted their final meeting of the season Monday in First Presbyterian church, with the new president, Dr. J. Paul Graham, pastor of Third U. P. church, officiating.

Dr. Graham opened the session with a devotional period. Dr. Graham read the new committee members who were appointed to serve during the new year. The names were given approval and will be released later. The first meeting of the fall will take place the third Monday of September.

Dr. Robert F. Galbreath announced that Charles Ramsey, a student at Bob Jones university, would conduct a series of meetings at First Presbyterian church this month and asked ministerial support in the effort.

County Commissioner J. F. Travers appeared before the session stating that he felt land would be to the city should be converted into ball parks and asked ministerial support in the creation of more ball diamonds on city land. The matter was referred to the ministerial law and order committee.

Discussion took place concerning a membership drive to secure new members of the association. A retreat for the fall season was likewise discussed by the pastors as the concluding item of the day's deliberations.

Rev. Robert Weber Gets Ohio Honor

NEWTON FALLS, O.—June 6.—Rev. Robert F. Weber, pastor of the First Christian church of Newton Falls, Pa., was selected as the "Rural Minister of the Year" of the Disciples of Christ church as a climax to the rural minister program of the Ohio Council of Churches. Rev. Weber was employed for six years with the Pennsylvania Power company before entering the ministry.

The honored pastor was baptized and later ordained in the First Christian church of New Castle by Dr. G. S. Bennett. Rev. Weber

was one of 16 ministers honored from the major Ohio denominations. He is at present, president of the Disciples Rural Fellowship.

INDICTED IN SHOOTING

WAYNESBURG, Pa., June 6.—(INS)—Lawrence T. Yennemal was indicted by a Greene county jury in Waynesburg yesterday for the fatal shooting of Jefferson Township Supervisor J. L. Armstrong last March 11.

The 48-year-old miner and Armstrong, who was 60, had feuded about a year over water rights for cattle.

School Board Officers Resign

BEAVER, Pa., June 6.—(INS)—The president and secretary of the Harmony township board resigned Monday in a squabble over the hiring of a new supervising principal.

Paul Smith, principal of Economy townships schools, was appointed to the position, succeeding Dr. Howard G. Squires, who now is superintendent at Ambridge.

President Roy Saunders and secretary Stanley Kuny resigned after a dispute with the other three members. Saunders and Kuny said they favored giving the job to W. R. Ramsey, assistant supervisor at Harmony township.
